The regular monthly meeting of the Prince Rupert Ministerial Association was held on Monday morning in First Presbyterian Church parlors. Rev. E. E. Brandt, president of the Association, was in the chair.

Business of a routine nature occupied the first part of the gathering, following which Rev. Dr. Hugh Dobson, United Church Social Service Secretary, gave a very interesting and informative address.

Members of the Association present at this gathering were Dean J. B. Gibson, Rev. J. H. Myrswang, Rev. J. C. Jackson, Rev. E. F. Brandt and Adjutant Ivan Halsey.

Man in the Moon

Crazy people are no longer claiming to be Mussolini. The favorite in the nut houses is now Hitler or Churchill.

They say that Laval is so crooked he uses a cornet for a telescope.

Did you hear about the husband who, when he went away, promised his wife to send her something by which to remember him. He sent her his underclothes to be washed and mended.

Any man in public life in Japan has to wear a bullet proof vest.

A Scottish sheep-farmer appealed to the Department of Agriculture to intervene on behalf of a shepherd called up during lambing time.

The Department regretfully stated it could not intervene at this stage. It might, however, be possible to arrange special leave for the shepherd at a later date. Would the farmer, therefore, kindly postpone the lambing for two months?

"Now, Jack," asked the teacher, "can you give me an example of wasted energy?"

"Yes, miss," came the answer. "Telling a hair-raising story to a bald-headed man!"

John: "I've often seen Redskins!"
Bill: "Where? On the warpath?"
John: "No, on tomatoes!"

Patient: "Am I going to die, doctor?"

Doctor: "My dear Mrs. Jones, that's the last thing you will do!"

Hotel visitor: "Waiter, this coffee tastes very queer!"

Waiter: "Well, sir, it was ground only half an hour ago."

Visitor: "I see. Now its mud!"
