Valuable Telescope Sent By C.N.R. Man Who Makes Hobby of Astronomy

WINNIPEG, Feb. 21:-In an effort to do his bit and to be of some service to Great Britain in her time of danger and trouble, Bernard H. sleeping car conductor of this city, has sent a very valuable telescope to the mayor of Dover. Mr. Witts, who was born in the Old Country. spent many years in the south of England and is particularly familiar with the Dover territory.

"It occurred to me that my telescope would be useful in spotting enemy craft who are preying on British shipping in the Straits," said Mr. Witts. "I wrote to the mayor of Dover and offered my prize possession and to my delight I received the following reply:

"'I have today received your letter dated November 21 and am delighted to accept with grateful thanks your kind offer of the astronomical telescope to which you refer. It will, indeed, be most useful in connection with civil defence purposes and I look forward to receiving it safely in due course. I am most touched by the sympathetic sentiments which you express towards us and appreciate your happy recollections of your early
