Forced Savings Possible - - -

According to Morris W. Wilson, president and managing director of the Royal Bank of Canada, it is quite possible that, if the people of the country do not show more inclination to save their money by buying war bonds, the government may find it necessary to adopt a compulsory savings measure. The alternatives were higher taxation or inflation.

It is evident in Prince Rupert that many of those earning the most money are least inclined to buy war securities.

Lest We Forget - - -

Mr. Wilson, referring to what he had formerly prophesied regarding the war said: "The very existence of the Empire is at stake in this war. I fear that at times we are inclined to forget the bloody tyranny within Germany itself, the steady extermination of the defenceless Poles, the senseless slaughter of 30,000 civilians in Rotterdam, the invasions of Norway, Denmark, Holland, Belgium following solemn undertakings to respect their neutrality, and the wanton destruction of historic buildings and churches, sacred not only to the whole English-speaking world but associated with the finest traditions of all humanity. These are things which we must not forget if we are to retain a proper appreciation of what we are fighting against. The new world order proposed by Hitler is one in which truth and honor have no meaning, law has no force, human dignity no place; a corrupt and corrupting tyranny, the qualifications for leadership of which embrace the basest traits of man."

Saying Unpleasant Things - - -

It is often necessary at a time like this for a newspaper to make statements that are not pleasing to many of their readers. In a democratic country there is bound to be disagreement, so there is nothing for it but to disagree. Just now we are likely to be slightly jarred over the financial situation. Taxes are high but they may possibly be even higher yet before the war is over. All we can do is to reduce our expenses to a point where we are able to pay. The war must go on.

CO-OP HOOP TEAM LOSES

Visited Metlakatla and Was Beaten 49 to 45

A party of Prince Rupert Co-Op basketball enthusiasts paid a visit to Metlakatla and played a game against the Metlakatla Maple Leafs, the latter winning 49 to 45. Spectators witnessed one of the snappiest games played in the Metlakatla Athletic Hall.

Co-Op team went down to defeat fighting gamely to the very last minute. Both teams put up a great fight and played a clean game, displaying good sportsmanship.

At the opening whistle the Maple Leafs got away in fine style and scored two baskets before the Co-Op even got started, taking the lead which they held throughout the entire game. The Maple Leafs checked hard and managed to hold down the visitors, at the end of the first half the score reading 27 to 21 for Maple Leafs.

After the breather, Co-Op made a better showing by constant substitution.

In all nine penalties were called, five against Co-Op and four against Maple Leafs.

Alan Prevost was high scorer for the winning team and George Viereck for the losers.

Co-Op—G. Viereck, Captain; T. Dalzell; F. Knutsen; T. Rystad; J. Bremner; T. Grimble; H. McDonald and J. Hewlick.

Maple Leafs—Arnold Leighton; Alan Prevost; Fred Auckland; Bob Nelson and Horace Leighton.

Referee was C. Ryan.

Scorekeeper was G. Haldane and timekeeper was E. A. Leighton.

Refreshments were served to the visiting team and supporters following the game by the Young Men's Benevolent Association.

Basketball Buzz

Port Simpson Young People's Educational Association basketball team, currently regarded as the foremost hoop squad in native competition in Northern British Columbia, will visit Prince Rupert on Saturday of this week for a series with Carl Zarelli's Savoys, the local champions. Bob Sankey is coaching the Port Simpson outfit and lays claim to having a quintette which is quite capable of taking on the big fellows of the local squad.

The New Metlakatla team is expected to come down to Prince Rupert some time soon. It had been intended to have them here on December 27 last but their offer of a visit had to be turned down due to short notice given the local Association.

Savoys will travel to Ocean Falls during February to play a return two games with the Paper Makers. This will, of course, depend upon whether or not Angus MacPhee, Herbie Morgan and Jack Campbell are back from their military training at Victoria.

Coach Walter Ferguson has his Booth Memorial High School team in first class shape for the proposed trip to Ketchikan where they will meet Ketchikan High School of the Alaska conference.

Last Sunday morning Russ Kennington, one of Vancouver's star players and member of the Vancouver Province team, champions of 1936-37, gave the locals a display of some of the fine points in blocking, screening, etc., showing some of the plays at present used in the Vancouver City League. The class was greatly appreciated by the local Association. There was acknowledgement of Mr. Kennington's action and sacrifice of time in helping to foster locally the sport he has followed for so long.

KISS YOUR TIRED FEELING GOODBYE!
Peptess Many Suffer Low Blood Count—And Don't Know It.
The baffling thing about low blood count is that you can weigh about as much as you ever did—even look healthy and strong, yet—you can feel as if you had lead in your legs, dopey, tired and peptess.
Low blood count means you haven't got enough red blood corpuscles. It is their vital job to carry life-giving oxygen from your lungs throughout your body. And just as it takes oxygen to explode gasoline in your car and make the power to turn the wheels, so you must have plenty of oxygen to explode the energy in your body and give you going power.
Get Dr. Williams Pink Pills today. They are world-noted for the help they give in increasing the number and strength of red corpuscles. Then with your blood count up, you'll feel like bounding up the stairs as if you were floating on air. Ask your druggist for Dr. Williams Pink Pills today.
