ALUMINUM DRIVE ON

Sea Cadets Conducting Intensive Collection-550 Pieces at Theatre.

Prince Rupert's collection of scrap aluminum, which is badly needed in the war effort, reached an intensive phase today.

The local Sea Cadets Corps is making a thorough search of the city for all such material, members of the corps being assigned in groups to every section of the community.

A special show was held at the Capitol Theatre this morning with pieces of aluminum in lieu of admission. No less than 550 pieces were in this way collected.
