LONDON-Chancellor Adolf Hitler of Germany is to meet Premier Joseph Stalin of Russia within a few weeks, it is stated by the News-Chronicle. Russia will be given a free hand in Asia, including India and Japan, it is said, with an outlet on the Red Sea in Iraq or Iran. The Soviet, in return, will not attempt to extend its borders further in Europe.

ANOTHER ATTACK ON REICH

LONDON- A concentrated and destructive attack on Mannheim, railway nerve centre of southwestern Germany, and Ludwigshafen, just across the Rhine, was carried out by the Royal Air Force last night, the Air Ministry announced today. A smaller number of bombers blasted industrial Berlin. Extensive fires were left burning among the docks and factory sections of Mannheim and Ludwigshafen. Royal Netherlands fliers joined the British in attacking Nazi airdromes in Norway. Nazi raids on Great Britain were light although widespread.
