Shortage Of Fish Norway Just Now Rationing In Force

WASHINGTON, D. C. July 7:there has been an ample supply of fish throughout the winter, alhough prices have been 100 perent above the normal range. The occupation authorities confiscated large stores of ockfish and clipfish (dried fish). the Germans have also recently Killed Today sh in Norway that it will be In Red River mands, particularly since the ing fleet is handicapped by the ict rationing of gasoline. Nory, home of the richest fishing ustries in the world, has thereexperienced the strange enomenon of not being able to have been subjected to

tioning of fish.
