Pepless Many Suffer Low Blood Count-And Don't Know It.

The baffling thing about low blood counts that you can weigh about as much as yo ever did - even look healthy and strong, yet -you can feel as if you had lead in your legs, dopey, tired and pepless.

Low blood count means you haven't got enough red blood corpuseles. It is their vital job to carry life-giving oxygen from your lungs throughout your body. And just as it takes oxygen to explode gasoline in your car and make the power to turn the wheels, so you must have plenty of oxygen to explode the energy in your body and give you

SIGNALS

Defeated Rocky Mountain Rangers 3 to 1 in Football

Wednesday afternoon on Acropolis Hill the Royal Canadian Corps for Signals played a fine brand of soccer to win over Rocky Mountain Rangers 3 to 1 in the first league game for the Commodore Cup.

Akkerman started for the Signals by scoring all three goals. The first goal came early in the game when Akkerman scored on a beautiful around and fooled the 135-pound pass centred from the far corner Keith, the like of whom he would by McNaught. Early in the second thave made a monkey of a few years half Webster of the Rangers evenlago. But it takes something more ed the score with a nice unassisted than knowing to win fights and shot from within the penalty area. Billy was an easy victim for the Akkerman scored for the second technical knock-out in the third time on a well kicked corner by round. Keith is young and husky Brisley. The goal that sewed up the game for the Signals came late in the second half when Akkerman again scored, assisted by Lindsay.
