Joan: "Every time we buy another one you feel we buy another bit of victory -----"

Peter: "I do. Every penny we put into War Savings Certificates brings peace and victory nearer."

Joan: "And how we shall enjoy spending all that money-and the interest it will have earned -when the world gets back to normal!"

The help of every Canadian is needed for Victory. In these days of war the thoughtless selfish spender is a traitor to our war effort. A reduction in personal spending is now a vital necessity to relieve the pressure for goods, to enable more and more labour and materials to be diverted to winning the war. The all-out effort, which Canada must make, demands this self-denial of each of us.
