LOAN ENDS WITH BANG

Prince Rupert Beats All Records With Total Of \$421,100
The "Victory Loan 1941" campaign closed with enthusiasm Saturday night and the enthusiasm was fully justified since it not only went over the top but reached a total of \$421,100 breaking the record of \$411,850 in the 1919 Victory Loan drive here.
There was much competition to get in on last minute subscriptions. Members of the Victory Loan committee themselves had a competition, running up to \$1000 in individual cases.
A last minute drive on the air resulted in fifteen subscriptions totalling \$3000.
It is understood that subscriptions will still be received this week.

Man in the Moon

Russia trusted Germany and see what happened.
Italy is trusting Germany and her turn will come sooner or later unless she is saved by the British.
Japan is too full of guile to trust anybody but unless she changes her ways she will get it in the neck before very long.
The modern girl may not be good at adding but she is very distracting.
Private Murphy grabbed hold of a young recruit who was just going to see the new Medical Officer, and hissed: "For heaven's sake, keep away from that doctor."
"Why?" asked the recruit. "I want to go sick."
"Run for your life," said Murphy. "for last night it happens I ran into a cow on me old motorcycle. Up walks the M.O., looks at the cow, sez: 'This cow has a broken leg,' then draws his revolver and shoots it dead. Then he turns, looks at me and sez: 'Well, and is there anything the matter with you?'"

Thomas Ross, M.P. for East Hamilton, was a week-end visitor in Prince Rupert. He arrived by Thursday night's train and sailed Saturday afternoon on the Prince George for Vancouver in the course of a trip to the Pacific Coast.

Every Pound Saved Counts
"Build B.C. Payrolls"

Pacific Milk is economical," to repeat from Mrs. G. D.'s letter. Prospectors find this true. Having to pack on their back for miles into the hills every pound saved counts. Because Pacific goes further and supplies every purpose of milk and cream we know prospectors who will pack no other.
