begins at breakfast

"BONG! BONG!... Come and get it!" What sweeter sound! Especially when there's the Kellogg's flavour to start off the day. And a bowl of Kellogg's Corn Flakes, with milk and a little sugar, gives needed food energy too... enough, for instance, to walk over 3 1/2 miles! Active people everywhere vote for the "Self-Starters" Breakfast. Get some Kellogg's Corn Flakes today! Comes in two convenient sizes. Made by Kellogg's in London, Canada.

DUE TO WAR CONDITIONS

Canada will now on, have to depend as never before on the output of her mines to fill the ever increasing demands for coal. Much of this will have to be from Alberta mines, but this will be difficult if not impossible if consumers wait, as in the past, for cold weather before taking delivery.

Do your part in helping to avoid a serious situation, by filling your bin NOW and keeping it FULL.

Stocks of Foothills Alberta, Bulkeley Valley and Comox now on hand.
