would like to welcome to the ranks of our local auxiliary services Miss Eva La Pierre who joins the United Services Organization forces today. She was formerly in USO work in Maine and was one of five women chosen by the USO Washington for overseas serwe and was sent to Ketchikan. From there, after a brief interval in New York, she comes to Prince Rupert. I travelled south with her in August when I went on furlough, sharing the same cabin and I found her charming and with an elegant sense of humor. Mis La Pierre was in YMCA work pror to entering USO service. I'm king forward with enthusiasm

to renewing her acquaintance. Young Miss Wanda Summerville, of ten months, paid her first vist to the Y Cafeteria the other evening. She pronounced the soup de clous, wasn't so keen on the powdered milk but went all out for the chocolate blanc mange. Her daddy is in the marine secin the Air Force.

How much is your child worth to you? More than words can tell! His bright sayings, his laugh, the proud way he walks - these are precious treasures. And nothing in the world could take their place. It is for his happiness, security and freedom that you save and sacrifice and plan. It is his future that is threatened. Moral degradation, hunger, fear and shame is the lot of children in conquered lands.

Your dollars can protect your children. A sacrifice of luxuries, of needless extras - such is the small price that you are asked to pay. For planes, ships and ammunition -for all that stands between your children and slavery, your country asks you to lend now. Can you hesitate? The purchase of the new Victory Bonds is your opportunity to do your part in winning the war.

You will be laying up for yourself the best of all investments-VICTORY BONDS are backed by all the resources of the Dominion of Canada; they yield a fair rate of interest; you can borrow against them; and they are readily saleable when you need the cash.
