Canadian Forestry Corps Thriving In Highlands Of Scotland

TWENTY COMPANIES OF THE CANADIAN FORESTRY CORPS are lumbering in Scotland to save shipping for other war needs. Above is the modern power "buck saw" of the Canadian engineers and foresters. Below, left, Lieut.-Gen. A. G. L. McNaughton closely examines forestry equipment. Below, right, foresters raise the jack-ladder for one of the score of new lumber mills they have erected in the Highland glens.

News of Northern Districts

SHOCK TO SMITHERS

Sudden Death of Joe Rife Regretted By Entire Community—Interment in Vancouver

SMITHERS, Feb. 25.—The community of Smithers was grieved on Saturday last when news was received in town that Joe Rife, popular baggageman of the Canadian National Railway, had dropped dead while carrying out his duties on the incoming train while it was at Palling, about 90 miles east of Smithers.

Mr. Rife was out on the track at the time as the train was held up by a broken draw-bar. He was observed to fall by some of the train crew who thought that he had slipped. When he did not rise, they immediately went to his aid but he had passed away.

Mr. Rife had resided in Smithers for many years and had raised his family here. He was a member of Omineca Lodge, A. F. & A. M., at Smithers and had always been prominent in local Masonic work. He is survived by his widow at Smithers, his daughter, Mildred, who is at present training for a nurse in a Vancouver hospital, and his son, Joe, who is attending the University of British Columbia. Mrs. Rife, accompanied by Mrs. Frank Foster, left with the body by yesterday morning's train for Vancouver where interment will take place in Ocean View Cemetery.

The family have the deepest sympathy of the entire community in their sudden bereavement.

STEWART

Stewart is making good progress towards its quota of \$40,000 in the Victory Loan campaign. The district includes Premier and Big Missouri as well as Stewart. The first five days resulted in \$17,650 being subscribed. Seventy-nine-year-old Charles Bibeau bought the first bond here. All stores and residences in Stewart are flying flags throughout the campaign.

For two weeks now snowdrops have been in bloom in the garden of Mr. and Mrs. W. R. Tooth. Crocuses and daffodils are well above ground.

The remains of Arthur E. Key, for years storekeeper at Premier, who passed away suddenly in the store from a heart attack while at work, were sent last week to Vancouver where interment took place. Rev. E. W. Slater officiated at a service held here prior to the departure of the body. The widow accompanied the body to Vancouver.

There was a special Victory Loan Sunday service in the Moose Home here with Rev. E. W. Slater officiating. The proclamation was read by W. S. Orr and John Thompson read the Scripture. A collection was taken up, the proceeds going to the purchase of War Savings Certificates for St. Mark's Church. There was a parade of ex-service men to the service.

The Stewart rifle range continues active. A challenge has been issued to Premier for the Asseltine cup and it is also hoped to have a competition with Prince Rupert. Mr. and Mrs. Tom Kirkpatrick were finalists in the senior championship tournament.

Mrs. Kaspar left last week for a visit in Prince Rupert.

L. A. McDonald arrived here from Vancouver last week. J. Delisky was another arrival from Vancouver.

Mr. and Mrs. J. Rochfort returned to Stewart last week after visiting for a few weeks in Vancouver.

Norman A. Watt, government agent at Prince Rupert, was a visitor here last week for a few days on official business.

Rev. E. W. Slater, local Anglican Church rector, is holding regular

INSTITUTE AT TERRACE

Farmers' Organization Had Successful Year—Officers Are Re-elected

TERRACE, Feb. 25.—The Terrace Farmers' Institute held its annual meeting on Saturday. The meeting was well attended and the reports showed that finances and business generally continue to improve. Some \$5000 dollars worth of business was transacted during the past year.

Interesting matters were brought up for consideration at the meeting. The Institute showed itself favorable to the establishment of a dehydrating plant in Central British Columbia. A proposal to form a local branch or association of egg producers was deferred to a later meeting. The need for increased membership was stressed, thereby increasing the Institute's influence in matters such as freight rates, tariffs, etc.

The election of officers to carry on during 1942 brought the same slate as last year, thus proving the meeting's satisfaction with the work of 1941. These are: President, Kenneth Kerr. Secretary - Treasurer, Floyd Frank. Auditor, Will Robinson.

Terrace

The local Orange Lodge held a very successful basket social on Friday evening last.

Mrs. Jarvis of Vancouver, second in command of the Women's Service Corps of British Columbia, spent the past few days in Terrace on inspection work, leaving Terrace on Tuesday.

services now in Hyder as well as in Stewart.

Dr. Scott, Vancouver dentist, after spending several weeks here on professional duty, left last week on his return to Vancouver.

Mrs. Dempsey and family, after visiting here for some time, left last week on their return to Prince Rupert.

N. Hueston of Big Missouri left last week for a trip to Prince Rupert.

Arrivals here last week from Vancouver included Miss Forsyth, Miss Wilson, J. Moran, A. Byron and Mr. Daum.
