vices. Minesweepers and corvettes have been built on the company's shipyards, and at the present time Wartime Merchant Shipping. All cargo vessels are being built for eanor Roosevelt, wife of the Presitold, the Company has at the dent of the United States, will visit present time over 3,000 employees | Montreal January 19 to speak unat work on the production of war der the auspices of the Russian resupplies and equipment. *

In addition, officers and staff members of a number of departments of the Canadian National have been freely loaned to the Government to perform war assignments for which their training and experience made them particularly useful.

Work of Steamships .

The Canadian National Steamships have also performed an important war task. Some of our ships have been converted into armed cruisers, and others have carried on as supply ships moving supplies to the fighting forces. Unfortunately, the work has not been performed without losses and casual-

The main auxiliary services of the railway, consisting of the Canadian National Express, the Canadian National Telegraphs and the Company's chain of hotels, all reflect the increase in business.

The Canadian National System comprises 23,561 road miles, and forms the largest railway on the North American continent and in the British Empire. The staff of employees amount to 101,000 and constitutes a loyal and efficient organization, playing a vital role in the economic and social life of the country.

More than 10,000 Canadian National men and women are now serving in the Active Forces and FOR SALE-26 ft. sail boat, com- in the Merchant Marine, and the pletely rigged. Bargain. Care- Management and Staff are justly (302) proud of them.
