CHURCH SESSION

Annual Meeting of St. Paul's Is Held—Reports Show Progress.

The annual business meeting of St. Paul's Lutheran Church was held at the old church on Ninth Avenue, Tuesday evening. The pastor, Rev. J. H. Myrwang, who is also the president of the church, gave his annual report of the work of last year and also an analysis of conditions under which the people live and work today. He stressed the fact that the church has a very important place to fill today and a great service to render in building the right spiritual foundation in the hearts and minds of the people.

Ingvald Feness, who was re-elected financial secretary, gave the report of the finances of the congregation, which revealed that all the current expenses for 1941 had been met and there was at the end of the year a balance in the treasury. There was also a gradual growth in the support given by the constituency to the work of the church.

Reports were also given by the subsidiary organizations within the congregation, all of which showed the results of work well done during 1941.—The Ladies' Aid Society and the Sewing circles had at the end of the year very substantial balances which were presented to the building fund for the new church.

John Dybhavn reported for the building committee.

The membership of the Church Council which include both the board of trustees, and the board of deacons, was increased from eight to ten men.

The time for the annual meeting will be the first Tuesday after the first of January, each year. The following are the members of the church council: Mrs. Christ Johnsen, Bert Charstad, secretary; Anfelt Antonsen, E. Evensen, Peter Leland and John Murvold, whose term had expired, but who was re-elected for a new term. All of these have served for a number of years. The following new members were elected: Mrs. Gust

This Should Be Given First Consideration, New Democracy Leader Asserts.

OTTAWA, Jan. 28: (C)—J. H. Blackmore, New Democracy leader in the House of Commons, yesterday called upon the government to adopt a program which would appreciate primarily the question of feeding the people. Agriculture should be given first consideration and the interests of the farmers should be taken fully into consideration.

Blackmore said he would support both Conservative and C.C.F. amendments to the address in reply to the speech from the throne.

High School Is Winner In Hoop Match

In the Intermediate Basketball League game on Tuesday night the High School team won over the hard-driving Barons by a score of 39 to 34. Both teams tried to pile up a big lead but it was impossible. The score changed alternately and, up until the last few minutes it seemed that the "Lords" were going to account for their first win over the students, but Long was going big guns and sunk two last-minute baskets to cinch the game for the school.

Individual scoring: High School—Arney (14), Santurbane (8), MacDonald (4), Long (11), Gurvich (2).

Barons—Simundsen (6), Holkestad (23), M. Holkestad (2), Hetherington (3), Astoria (3).

Referee was Sonny Stiles; scorekeeper, Alex Bill, and timekeeper, Nick Pavlikis.

"Yes, ladies, you'll never know how much easier washing can be until you give me the job. All you have to do then is to put the dirty clothes, the water and the soap into an electric washer. I do all the hard work of washing and wringing. I do it more thoroughly and yet more gently than is possible with the old-fashioned tub and washboard method. Try me!"
