#### A.R.P. Doing Good Work . . .

Although its numbers might be greater, Prince Rupert has good reason to be well pleased with its A. R. F organization. Under realistic conditions yesterday, in it four years ago. general rehearsal throughout the city, it showed it was on the job. If the real thing came, we believe it would be death are being investigated but effective onough to accomplish much in the protection afternoon whether or not there and saving of life and property although there are un- would be an inquest. doubtedly still some matters of oranization to be perpected.

The enthusiasm which is being shown by a growing MILLION ber of citizens in offering their service of a growing in offering their services. number of citizens in offering their services for this very necessary defence work is to be commended. It is only to be regretted that more local people, who might well do so, are not realizing their duty and accepting some responsi- Moscow Claims This Has Been Toll

A.R.P. work can be by no means regarded as an entirely benevolent activity for by engaging in it a person is press says that Germany lost one holders. working to protect not only the public at large but his million men during the winter in own kin and property. In spite of that, however, some are content to sit back and let the other fellow do the job.

The very least a person can do is to make himself acquainted with the civilian protection regulations and New Cars Are take certain simple steps to protect his own property. It is surprising, though, to learn how many are not even doing that. Maybe by the time the war comes a little closer they will wake up. Meanwhile, it is to be hoped, for Private Purchasers May Still Setheir sake, that there will be no "Pearl Harbor" here. Yesterday's rehearsal might well have caused some to wonder what Prince Rupert might have been like last night had those been enemy planes and bombs.

### Making Daily Life Enjoyable...

A story is told of a boy who owned a bantam hen. He put an ostrich egg in front of her nest and over it a card on which he had written, 'Look on this card and do your

Is it not true that all of us need to have kept before us something which bids us to attempt, achieve and attain more? And this "something" is and can be the advertisements seen in our newspapers. Do not the colorful an earth tremor sealed part of the Calgary. Rev. Canon W F. Rushadvertisements of model kitchens plant in the heart of every woman a desire and a will to have some day a been rescued and it is hoped to The bride entered the church kitchen like the pictured ones? Immediacy of action may reach the nine others soon. not be possible or contemplated, yet every advertisement showing a model kitchen performs its intended object, Banshees Wail namely, the implanting of desire and purpose to have a kitchen which will economize steps, labor and time, and which will be an agreeable workshop. It is the same with other things. In their sum, advertisements have an in- Fifty-Eight Sirens Screamed Dur-, calculable influence for good on all of us. They teach us how to live more fully-how to get more agreeable experiences out of every day. They point us to products and services which in possession and use make our occupations more rewardful of everything which satisfies ver late Friday afternoon in a our natures and deepest needs. They show us how to les- general test of newly installed sisen the fatiue of labor, how to have greater comfort; rens. how to get more time for social pleasures and cultural. employments; how to have better health; how to make our homes more attractive inside and out; how to use King and Queen our money to insure presently and in our later years freedom from anxiety and the distresses of poverty.

So we bid you look at advertisements with very friendly eyes. Beyond their permissible selfishness they Royal are calculated to make daily life for all classes of persons an enjoyable and a gainful experience.

PROVINCIAL

Murdock McLean and William Moffatt, who Batched Together For Years, Pass Away During Night

Murdock McLean and William Moffatt, two well known steel workers of the dry dock here, who have been employed at the local plant for many years, died during the night at the Prince Rupert General Hospital, one late last night and one early this morning. They had been taken from their home on Ambrose Avenue, Just off Sixth Avenue near the Hays Creek bridge, to the hospital. They had batched together for years and had a fine garden which had been developed into one of the horticultural show places here. They owned the property, having purchased
