### Blackout Regulations . . .

We would commend to the careful attention of all our readers the statement on new blackout instructions for this coast which was published in The Daily News yesterday.

These are the official instructions and, providing they are read carefully and duly followed, there should be no confusion in Prince Rupert.

The question is not whether they are effective, consistent, invaluable or otherwise. Possibly some of them are fit subject for valid difference of opinion or criticism.

However, there they are and we would urge everybody, now that they have been duly promulgated, to follow them strictly.

Confusion is usually due either to neglect in thoroughly understanding the regulations or careless failure to observe them.

### War Objectors . . .

New Zealand is often pointed to as one of the ideal democracies. It has a novel way of dealing with those who object to active service during the war. If a man is drafted and refuses to serve he is examined at a secret hearing and then placed in some appropriate appointment. If he has skill which could be utilized such as in shipbuilding, the employer pays the current wages but all the draftee is allowed is the soldier's pay and any allowance which might be coming to a man on home defense. The difference between that pay and the current wages on his job is paid into a social security fund. Should an objector not agree to this, he is brought before a civil court and may be sentenced to detention in a special camp for the period of the war as a military defaulter and kept under firm discipline and given work suited to his capabilities. Should the objector change his mind he may be released provided he is willing to join the armed forces.

We are not suggesting that this is a suitable method for Canada to employ but simply quoting it as a plan that is being adopted by what is looked upon by many as an ideal democracy.

## CURLING, SKATING

Season for Ice Sports Is Now Well Under Way at Smithers.

SMITHERS, Jan. 13:—The Smithers Curling Club swung into action at the first of last week and is now in the middle of the Ham and Egg Bonspiel with eighteen rinks of two men and two ladies to each rink participating in the first bonspiel of the season. It is expected to have the bonspiel completed by the end of the week when the cup tournaments will be started.

The benefits are now being derived from the improvements made to the rink during the summer and the temperature is kept at a steady level well above zero which makes it much more comfortable for the players than has been the case in other years.

Skating has been general at the skating rink for two weeks and the hockey schedule got started Friday night when the Canadian Legion crossed sticks with the Native Sons in the first league game of the winter.

## RESUMING FIVE PINS

Play in This Bowling League Has Got Under Way Again.

The Five Pin Bowling League is in action again following the suspension over the Christmas and New Year holiday season. Fixtures were played on Monday of last week and again last night.

Results last Monday were as follows:

Royal Canadian Air Force, 1; Lawn Bowlers, 2.

Reddy Kilowatts, 2; Armour Salvage, 1.

Signals, 1; Lipsett's, 2.

Last night's results were as follows:

Armour's, 0; Air Force, 3.

Christian Youth Association, 1; Steel Workers, 2.

Lipsett's, 1; Signal Corps, 2.

Albert & McCaffery, 0; Reddy Kilowatts, 3.

Lawn Bowlers rolled their scores while play by Fitters was postponed.

## CRIBBAGE RESUMED

## TORONTO DEFEATED

Maple Leafs Lose to Detroit—Week-End National Hockey Results.

TORONTO, Jan. 13:—Week-end play in the National Hockey League was featured by the defeat of the Toronto Maple Leafs by the Detroit Red Wings Saturday by a count of 6-4 in a free-scoring game. The Maple Leafs are still tied with New York Rangers for runner-up honors to the Boston Bruins, two points behind.

Tonight Brooklyn Americans play the Rangers in New York while Detroit will be at Boston. The league standing to date:

	W	D	L	F	A	P	T
Boston	15	3	5	75	16	33	
New York	16	1	7	76	65	31	
Toronto	15	1	8	78	52	31	
Chicago	10	3	11	63	71	23	
Brooklyn	9	1	18	70	94	21	
Detroit	9	2	15	72	79	20	
Montreal	7	1	17	54	91	15	

## BIG COUGAR WAS BAGGED

Monster Cat Is Shot Within Sight of Town of Smithers.

SMITHERS, Jan. 13:—Harry Wade and his son, Francis, are working this winter a trap line on the north side of Hudson Bay mountain overlooking the town of Smithers. Last week they contacted a large cougar making very large tracks in the snow and, after trailing, came upon him and proceeded to dispatch him with a .22 rifle. It took more than half a dozen shots to bring him down and he measured nine feet in length.

These animals are not frequently found in this part of the country but tracks of several smaller ones have also been seen this winter on Hudson Bay mountain.

Wade, W. O. Fulton, R. G. Hopkins, J. J. Little, Peter Laskie, C. G. Minns, G. C. Mitchell, D. C. McRae, G. W. Nickerson, J. W. Nicholls, S. E. Parker and W. M. Watts.

## BREAK UP FAMILIES

Largest Single Group of Japs In B. C. Comprises Fishermen

VICTORIA, January 13:—Should the evacuation of military age Japanese males be ordered, more than 4,000 families—some with children—would be broken up, but removal of the males alone should not cripple any branch of industry.

The largest single economic group is the 1,800 fishermen, who have already been deprived of their livelihood through the seizure of their fishing boats by the Navy.

In logging and lumber and pulp manufacturing 2,000 Japanese are employed. There are about 800 farmers, 178 gardeners, 211 cleaners and pressers, 123 rooming-house keepers, 695 retail and wholesale clerks, 435 laborers and more than 1,000 otherwise employed Japanese throughout the province.

Towns like Steveston and Vista on Sea Island, would fade out of existence with the evacuation of the Japanese. The proposal is to remove all males of military age—Canadian-born as well as Japanese national and Japanese-born naturalized Canadians.

## WANTS ALL INTERNED

That is Idea of Native Sons In Connection With Japanese

VICTORIA, January 13:—Immediate internment of all Japanese in the province was urged in a resolution passed by Post No. 1, Native Sons of British Columbia. The resolution was forwarded to Ottawa.

The move was an outgrowth of continued action by the post on the Japanese issue. In 1936 the post submitted a brief to federal authorities opposing extension of the franchise to Orientals. Recently it sought closer control by the government of the Japanese population on the Canadian Pacific coast but was informed, according to members, that such action could not be taken against a favored nation.

It is now pointed out the position has been changed since the last move had been taken. In view of the hostilities between Japan and the Anglo-Saxon world, the post viewed with some apprehension the freedom allowed Japanese in areas of military importance.

## Are Wedded In Victoria

Miss Emma Whiffin Is Married to Peter Allen.

The marriage of Miss Emma Whiffin, second daughter of Mr. and Mrs. W. Whiffin of this city to Peter Allen, son of Mr. and Mrs. J. Dennis Allen, also of this city took place on January 3 at the Roman Catholic Bishop's Palace on View Street, Victoria. Rev. Father Gaudette officiated and attending the young couple were Miss Norma Alexander and Lloyd Clarke, friends of the bride and groom.

Mr. and Mrs. Allen will take their residence at Prospect Lake, Victoria.

# SAVE PAPER

WASTE paper is a valuable war material—don't throw it away or burn a scrap of it. Canada needs it—needs it badly—needs it NOW!

Paper wraps up the detonation charges in land mines . . . holds the charges of parachute flares in place . . . is used for wadding in cartridges. These are only a few of the direct war uses of waste paper.

Paperboard cartons are the most important shipping containers on this continent. They are made of waste paper. Shells, gas masks, munitions, field telephones, shell casings, food, clothing and other material are shipped to England in these cases. Thousands of them must be made, and made quickly.

This ever-increasing demand is causing an acute shortage of waste paper. It's a shortage which you can overcome by saving every scrap of paper and giving it regularly to your Salvage Committee.

Help provide the shipping cases! Help get the tools to Churchill! Start today.
