#### Seal Cove Road Again Discussed

John Gurvieh Suggests City Should Go Ahead With Repair Plans At Once

The question of the improvement of the road to Seal Cove was discussed briefly last night at the annual meeting of the Prince Rupert Chamber of Commerce, the chair.

John Gurvich expressed the opinion that the government was right in not spending money on it. It was purely a matter for the city. He suggested that the road could be put in good shape for about twelve thousand dollars and this should be done. Accidents were constantly happening and one day there would be a serious accident and then some steps would be taken to remedy the situation.
