Alternative To Christianity

Presbyterian Pastor Asks His Congregation What There Is Better To Cling To

Urging a clinging fast to Christian beliefs, Rev. A. F. MacSween asked his congregation at First Presbyterian Church yesterday morning to consider the simple issue of what was the alternative to the Christian way of living. Christianity, he asserted, was the soil upon which the priviliges of democracy flourished. He warned against the commonly heard statement that the day of superstition was passed lest this be taken to imply that Christianity had outlived its usefulness. It was the nature of man to worship something, to have some ideal to cling to. Even Communism and Nazism, supposedly anti-God beliefs, had their ideals, their messiahs. Their ideals, however, might represent a drifting into paganism and the worship of false gods.

Smithers Boys Go To Varsity

SMITHERS, Sept. 14: —Smithers is going to be very well represented at the University of British Columbia when it opens its doors for this year's term. Arthur Dimock and Ted Cook will be starting their second year there while Bob Cook, Ken Houghton, Philip Jones, Norman Kilpatrick and Ray Cunliffe will be freshmen.

All of these young men have been very busy during the summer taking advantage of the opportunities offered to accumulate sufficient funds to see them through the year and all of them are going down pretty well fortified with their summer's earnings. Survey parties and airport work have been the chief means of supply. Cook resigned his position as teller in the local branch of the Royal Bank of Canada to start his studies at university.

Miss Louise Bird and Miss Matilda Larsen are leaving tonight for Vancouver where they will enter the Canadian Women's Army Corps. Miss Bird was the first local girl to join the Women's Army.
