Rotary Club Condemns Inertia of Federal Government on Defence.

The Prince Rupert Botary Club yesterday unanimously decided that the following resolution should be wired to the prime minister of Cana-

"Because of the prime strategic importance of the city of Prince Rupert in the defence of the Dominion of Canada on the Pacific Coast this club condemns the inertia of the Dominion Government in defence matters relative to this city and demands immediate evacuation or internment of all Japanese, whether Canadian born or otherwise, together with all other alien enemies, and also demands that immediate action be taken to supply the city of Prince Rupert with proper protection facilities and proper and adequate defence equipment and munitions to combat the type. of attack employed in modern warfare. An immediate reply is requested as to what action is being and will be taken."
