HOOP GAME WAS ROUGH

Three Way Deadlock For Intermediate League Leadership

The Barons outscrambled the High School on Wednesday night 38 to 33 in the roughest game of the intermediate basketball season on the Exhibition floor. Thirteen personals were called on the Barons and ten on the High School. Both teams lost players some via the four foul route and some sent to the showers due to indulging in unnecessary roughness.

The Barons were a pretty team to watch in this game, working the ball around until they had someone set up for a shot and making most of their shots count. Credit for the Barons' snappy ball handling and sparkling play is due to their coach, Gar Taylor, one of the mainstays of the 1942 Savoy Squad.

With Davis, Baker and Petnuzzo leading the attack, the Barons took an early lead and left the floor at the intermission on the long end of a 17 to 11 score. With the start of the second period the students unleashed a concentrated passing and scoring flurry that drew them up to a 26 to 24 count before the Barons halted this barrage by drawing further into the lead on shots by M. Holkestad and Baker. The last few moments saw the High School creep up to a 34 to 31 count and then to 36 to 33 before Baker of the Barons beat the final whistle with a shot that lengthened his team's margin to 38 to 33. The Students outscored the Barons in the second half 22 to 21 but could not overcome their opponents' first half margin.

As a result of this victory the Barons now have caused a three-way deadlock for first place in the league standing which goes to show the evenness of play and the keenness of competition between the teams of this league.

Arney of the High School kept his team in the game by registering five times in the second half and once in the first and annexed individual scoring laurels with a total of 12. Lee, with 6 points, was also a high scorer for the school while Gurvich and Santurbane were outstanding on defence.

High gun for the Barons was George Baker who netted himself 11 points. Close behind were H. Holkestad and M. Holkestad with 9 and 8 points respectively. Petenuzzo, at guard, and Davis, at centre, played one of their best games for the Barons. Davis was outstanding in his handling of rebounds both on the defence and offence.

On Saturday night the Dry Dock with tangle with the High School in their regular scheduled league game which will precede the Savoys vs. Port Simpson Athletic Club encounter. This should make an interesting card for basketball enthusiasts.

Referee last night was Sev. Dominato; scorer, B. Timmermeister, and timekeeper, Alek Bill.

Individual scoring:

High School—Arney 12, Santurbane 3, Lee 6, MacDonald 3, Gurvich 4, Postuk 2, Alexander 3, Long. Total, 33.

Barons — H. Holkestad 9, M. Holkestad 8, Baker 11, Davis 4, Petenuzzo 4, Astoria, Simundsen 2. Total, 38.

League standing:

	W	L	P
Dry Dock	5	4	10
Barons	5	4	10
High School	5	4	10

SKAGWAY IS HERE

Hoop Team From Alaska Town Enroute To Ketchikan For Championships Series—Loses Here

On their way to Ketchikan to play for the high school conference basketball title of southeastern Alaska, Skagway high school basketball players arrived in Prince Rupert from the north aboard the Princess Norah yesterday afternoon and will sail this afternoon on the Prince George for Ketchikan. There will be a three game series at Ketchikan.

A game was arranged in a hurry here last night between the visitors, of whose arrival little advance notice had been received, and the local High School team, the latter winning 39 to 37.

The Skagway - Prince Rupert game saw excitement reach a high peak as the Booth Memorial High School basketball squad outpointed the clever and fast Skagway High School team by the two points in overtime at the Exhibition building last night.

The Alaskans carry a very fine team, tops in sportsmanship and all-round fine boys and should make matters very interesting for the Kayhi team.

Last night's game was much cleaner than fans have been used to of late and those present appreciated the brand of basketball judging by the ovation the boys received on every basket scored.

It was Boyo Gurvich, with two timely baskets, who pulled the game out of the fire in the overtime. He was also a stand-out at guard.

Captain Oliver Santurbane, Ted Arney and Bob Long were the strength behind the driving students. They outsped the Alaskans during the last quarter of the game and it was Santurbane who scored the lone point on a technical foul shot to put his team two points in the lead with seconds to go. Following his shot Alexander fouled to give the Skagway crew a free throw which was muffed but a basket resulted from the rebound to tfe the game at the whistle.

Shipping laws created a rather ironical circumstance on this trip. Apparently a Canadian ship cannot carry passengers from one American port to another so the Skagway team had to pass through Ketchikan, come to Rupert and then return to Ketchikan today on the Prince George.

SPORT CHAT

Charlie Conacher practically clinched the 1935 National Hockey League scoring honors when he poured four of Toronto's 10 goals into the Montreal net in a game at Montreal seven years ago last night. Conacher retired from the game in 1941.

Vancouver stars won four of the five Canadian badminton championships at Winnipeg 10 years ago today. Jack Underhill won the men's singles and paired with Noel Radford, captured the doubles crown. Anna Kier smashed her way to the women's singles championship and teamed with Radford to take the mixed doubles.
