Make Good Profits for American  
Boats—International Fisheries  
Commission Statement

Halibut landings at the port of Prince Rupert for the past week consisted entirely of American fish. Fares amounted to a total of 497,000 pounds all of which were brought in by large vessels operating in Area No. 3 or the remainder of that area in which fishing was still permissible. In all, eleven American boats were in. Some of them

Capt. W. W. Mounce, well known coastal pilot, is here today going south after a trip to Ketchikan. He is on his way back to Vancouver.

After having been at Oceanic Cannery for the past six weeks building a new wharf for the Canadian Fishing Co., the John Currie & Son power tug C. R. C. and piledriving outfit returned to port last night. Oceanic is no longer operated as a cannery but it used as a net camp.

## COMEDY IS NOVEL ONE

"The Man Who Came To Dinner"  
With Bette Davis, Anne  
Sheridan and Monty Woolley

"The Man Who Came to Dinner," an hilarious comedy starring Bette Davis, Anne Sheridan, Monty Woolley, Jimmy Durante and Billie Burke, is the feature picture which comes to the screen of the Capitol Theatre here for the first half of next week—Monday, Tuesday and Wednesday. It is the picturization of a play which ran for two years with great success in New York.

The story is that of a querulous, crochety but witty man of the world, who has dedicated his life to shocking conventional people, who creates havoc in a perfectly blissful family when, invited to dinner, he slips on an icy porch and breaks his hip. As a result, his stay lasts for four weeks and it involves sending the family upstairs, forbidding them to use the telephone while he urges their children to elope and hon freighters for Singapore, himself filling the house with the strangest people.

Bette Davis plays a deadpan, satirical secretary who falls in love, stays in love and is actually alive and happy as she gets her man in the persons of Richard Travis.

## DUE TO WAR CONDITIONS

Canada will now on, have to depend as never before on the output of her mines to fill the ever increasing demands for coal. Much of this will have to be from Alberta mines, but this will be difficult if not impossible if consumers wait, as in the past, for cold weather before taking delivery.

Do your part in helping to avoid a serious situation, by filling your bin NOW and keeping it FULL.

Stocks of Foothills Alberta, Bulkeley Valley and Comox now on hand.
