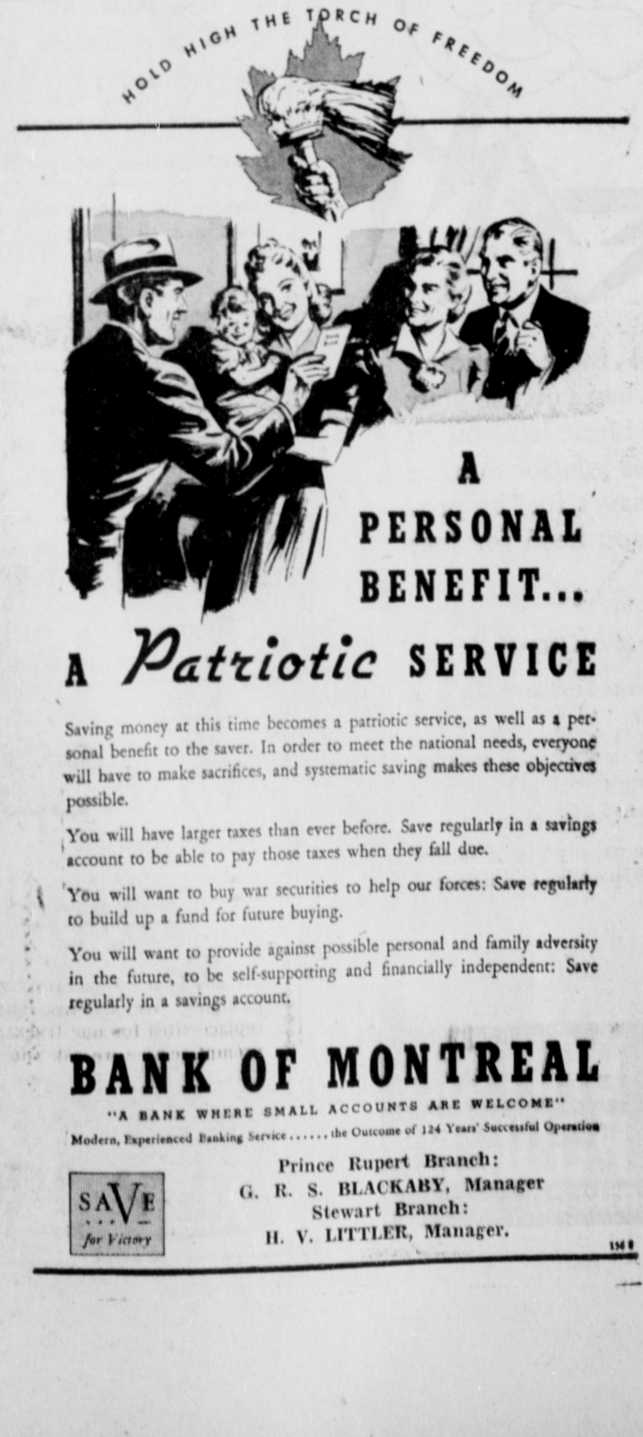
Burmese crude oil production in 1940 was about equal to that of Germany and almost triple that of Japan.



A PERSONAL BENEFIT...
A *Patriotic* SERVICE

Saving money at this time becomes a patriotic service, as well as a personal benefit to the saver. In order to meet the national needs, everyone will have to make sacrifices, and systematic saving makes these objectives possible.

You will have larger taxes than ever before. Save regularly in a savings account to be able to pay those taxes when they fall due.

You will want to buy war securities to help our forces: Save regularly to build up a fund for future buying.

You will want to provide against possible personal and family adversity in the future, to be self-supporting and financially independent: Save regularly in a savings account.
