"WE ARE at war. It costs lots to win. It would cost everything to lose. So I don't figure that because we'll soon pay a small amount as compulsory savings, I can fold my hands and say 'That's that!' No sir! Some people may need compulsory savings to save something for their own good. But that's the minimum. I'm out to save all I can to buy War Savings Stamps and Certificates to help win the war and have something substantial put by for the days when there won't be all this work and overtime."
