Announcing the Opening of the

VICTORY

330 Third Avenue West

Announcement

Restrictions placed upon us by the Wartime Prices & Trade Board compel us to announce we shall be unable to put on our "Christmas Special" this year.

This practice of sending a small box of smoked fish, typical of the dominant industry of Prince Rupert, has become increasingly popular and we are very sorry we shall have to disappoint our many customers this year.

After the war, we hope we shall again be able to make this special Christmas offer available to our many friends.

Minister of Fisheries to Visit Coast -Butedale Putting Up Substantial Herring Pack-Trolling is Open Again

Hon. Ernest Bertrand, federal minister of fisheries, is making his first tour of British Columbia following his recent appointment, but it is uncertain as to whether he will visit Prince Rupert. On his trip hereabouts Mr. Bertrand will be accompanied by Major J. A. Motherwell, chief supervisor of fisheries for this coast. Fisheries offices at Prince Rupert are inclined to think Mr. Bertrand GAYFILM may not come here this trip.

The Canadian Fishing Co.'s cannery at Butedale, down the coast from here, is busily engaged these days in the putting up of canned herring in tomato sauce for the British market. So far some 5 25,000 cases has been canned. The fish are coming from Nanoose Bay and elsewhere in east coast of Vancouver Island waters. Seining been seen.

Salmon wrolling is again permissible in waters of this district after having been closed for month. However, springs are scarce to-earth story revolving around officer with the Royal Norwegian and few, if any boats, are out.
