Yellow Men to Go Down in History With Records in Treachery

NEW YORK, Oct. 14: (9)-Behind the clashing of great armies and fleets, the armed forces of fighting nations employ little schemes, plots and traps to try to catch the enemy off base. Here are a few:

Australians patroling in New egg and lastly the sifted, measured she would have been willing to do Guinea heard voices ask in English: "Is the corporal there?" Turning to reply, they were shot by Jap snipers. In trying to storm a Pacific island, Japs swam to shore behind logs to deceive U.S. marines on guard. Japs in the Solomons pretended to be wounded when marines approached. Then they got up and fired. When U.S. troops thought they were approaching a field hospital, they found it was an ambush.

Answering Your Questions about R.C.A.F. Air Crew

What is meant by "Air Crew"?

There are usually five members of an air crew: air navigator, air bomber, wireless operator-air gunner, air gunner, pilot. They are team-mates, each with an important job to perform in the operation of an aircraft.

What educational standards are necessary?

No standard is laid down. Those suitable for enlistment but lacking sufficient education to absorb service training right away are given the necessary academic training after enlistment. Lack of formal schooling (such as High School) is no longer a bar to enlistment.

If I apply for enlistment what personal documents will be needed?

Your Birth Certificate, Marriage Certificate (if married), and the Birth Certificates of your children (if applicable). If you have had previous military or naval service bring your Discharge Certificate. Documentary proof of education is useful if available. However don't let the absence of documents prevent you from applying. The Recruiting Officer will help you.

(Can I enlist for a specific job in air crew?

No. All enlistments are in the one category - "Air Crew." Selection for specific training and duties is made at Manning Depots and is based on the particular qualifications of the recruit and the requirements of the Service.

Am I obligated to the R.C.A.F. in any way if I call at a Recruiting Centre for information?

> No. Information to assist you in making such an important decision as enlistment in the R.C.A.F. is given freely and without any obligation whatsoever.

What should I do about my job if I decide to apply to the R.C.A.F.? Give it up first?

> If you so desire, you may tell your employer of your plans, but do not give up your job. If you are accepted you will be granted sufficient time to settle your personal affairs.

Are married men accepted for air crew? Yes. Married as well as single men are eligible.

What are the age limits for air crew?

If you are 171/2 years of age and have not yet reached your 33rd birthday you are eligible. If you are over 33 but have exceptional qualifications you may still be considered.

If I cannot visit a Recruiting Centre during normal business hours what should

All Recruiting Centres are open every Monday and Thursday evening.

Can I look forward to a reasonable chance of promotion?

> Yes. Airmen who show initiative have even more opportunities for advancement than they would have in civil employment.

What are my chances of getting a commission?

Every member of air crew has the opportunity of earning a commission and will be commissioned when he has proven his right to it. Your chances are as good as you want to make them.
