Thriving Saskatchewan City has Decided to Own its Street Railway System and Contracts Have Been Let.

Saskatoon, Sask., June 19—Saskatoon has decided to install its own street railway as a civic undertaking. The city council at a special meeting held recently closed a contract with Stone & Webster, the big Boston engineering and construction firm for the financing of the work for a year. ALBERNI

A GREAT SEAPORT IN THE MAKING!

Only When Canada Stops Growing Will Investors Cease to Make Money on Land

Do you think Canada is going to stop growing soon? No, of course not. She has only fairly started.

And as Canada grows so must new centres of population develop.

The place for the investor to make big profits is in some town or city where development is inevitable.

Take Alberni for Instance

Alberni is as certain to become a large shipping centre as was Vancouver. Situated on the west coast of Vancouver Island—some eight to twenty-four hours nearer the east than is Vancouver—Alberni will shortly see the largest boats of the Pacific docking at her waterfront.

With the Canadian Pacific Railway already there, and the Canadian Northern Railway rushing its tracks toward the city as fast as possible, Alberni will develop within the next year in a way that will surprise you all.

Your chance to buy a lot in Alberni is something which you cannot afford to overlook.

We do not ask you to buy because of the few reasons we have given above.

But we do want you to get our new booklet about Alberni. It is handsomely illustrated and will tell you about Alberni in a way that is convincing. Get it today.

Lots can now be bought for \$150 on easy terms. See us and talk it over.

On a Charge of Theft.

In police court this morning the case against Frank Pery and Mrs. Canonicio for stealing a raincoat from a prominent Sixth street dry goods store was heard. The witness for the Crown said that Pery came to the store on Saturday and got the coat on approval, stating that if it fitted he would return and pay for it. It appears that he did not come back, but left on the train with Mrs. Canonicio for Hazelton, where he was arrested. Judge Cars after hearing Mrs. Canonicio's version of the matter reserved his decision until tomorrow morning. The case of theft against the same couple, preferred by Mrs. Canonicio's husband, was dismissed.
