IMPORTANT To Arrow Bus Line Patrons

Commencing Monday, August 31, the Arrow Bus Line Schedule will be reducd. The new Schedule may be obtained from the arivers.

In these days of war, conservation of rubber, gas and essential metals is an absolute need if we are to defeat the enemy. We must do our best to keep our buses on the road and still use tires as long as possible. Patrons can do their part by adjusting their hours so that workers coming to and from their jobs are not deprived of transportation.

And please remember, bus drivers are no longer permitted to give change over \$2.00. You will greatly aid us to maintain service and schedules by having the correct fare ready.

Give us an order right away for the amount of coal you expect to need next season. This will enable us to meet your requirements now or as supplies arrive. It is important that you should lay in your coal supply

this summer as it is almost certain that the dealers will not be able to cope satisfactorily with the demand next IT IS NOT HOARDING TO BUY YOUR COAL EARLY

DUE TO WAR CONDITIONS

Canada will now on, have to depend as never before on the output of her mines to fill the ever increasing demands for coal. Much of this will have to be from Alberta mines, but this will be difficult if not impossible if consumers wait, as in the past, for cold weather before taking delivery.

Do your part in helping to avoid a serious situation, by filling your bin NOW and keeping it FULL.

Stocks of Foothills Alberta, Bulkley Valley and Comox now on hand.
