July 10: 0 - A Digby Island on sighting of which mediately. If time or circumstances the flare the fishermen would have to be guided by turning out of all watched navigation aids.

Fishermen should also blackout immediately on sighting any suspicious aircraft, aircraft flying without navigational lights to be regarded as suspicious.

Fishing nets and gear should be hauled in during blackout.

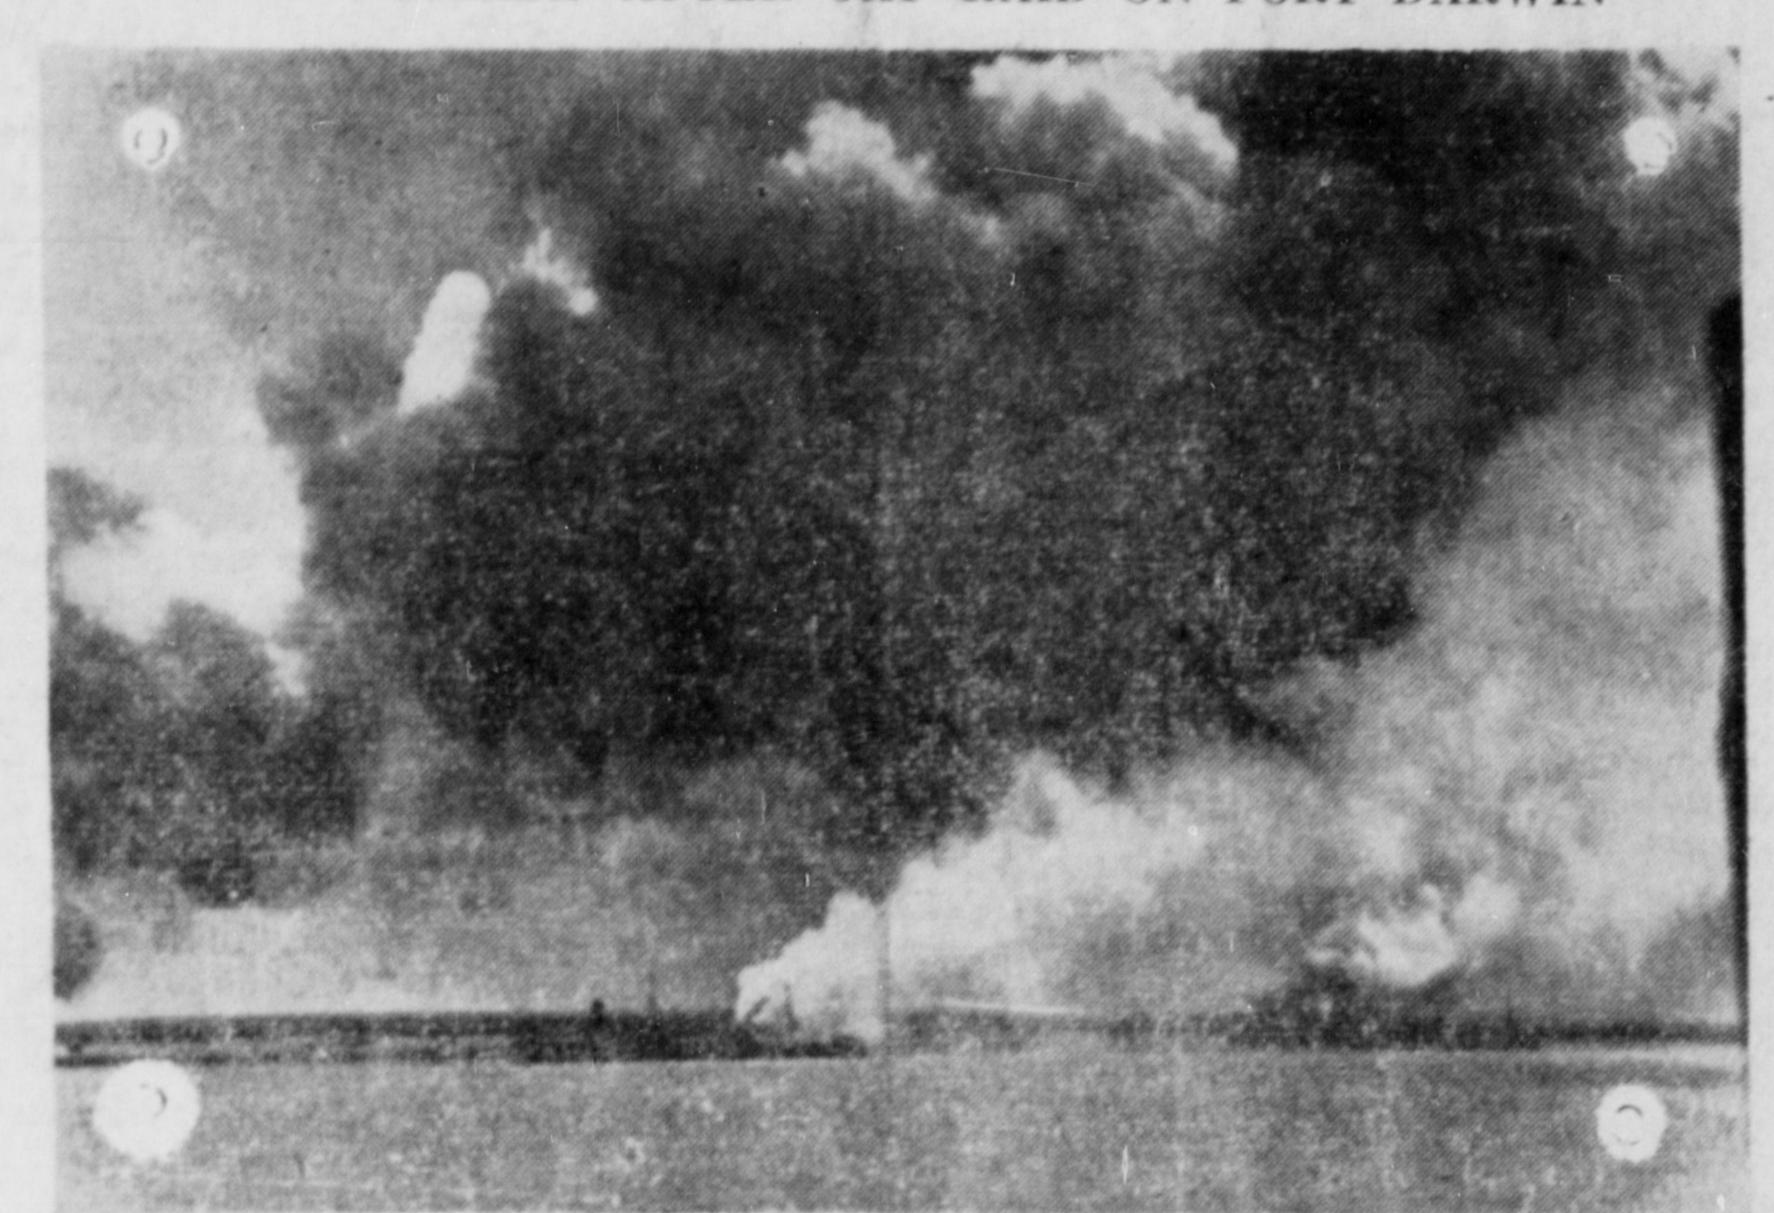

FLASHED POWER

The average lightning stroke contains enough electricity to momentarily light a city of 15,000 population.

GREASED LIGHTNING

The speed of, lightning varies ground press often exceeds that of between 30,000,000 and 200,000,000 miles an hour.

SHIPS ABLAZE AFTER JAP RAID ON PORT DARWIN

Two ship victims of a Japanese air raid on Port Darwin, Australia, are shown ablaze here while the raid was still in progress. At LEFT is a British freighter, just beginning to burn after being hit. At RIGHT, an Australian ship which was set a fire and later sank. Japs are believed to have come from New Guinea bases which have since been blasted repeatedly by United Nations' fliers.

ADVANCING BULLETINS

Despite Terrific Resistance Of Red Army

"DIFFICULT" CONDITIONS MOSCOW, July 19: (CP) -German \nk forces which crossed the upper Don River bit into the Soviet defences before Voronezh today while one hundred miles to the south a second furithe approaches to Rossosh where | war supplies for Russia. It evad- able. reinforced German troops had driven a new salient ninety miles into the Russian line. Red Star, Russian Army organ, said conditions west of Voronezh were becoming "more complicated" and those near Rossosh "very difficult" with combat close to the city. An important Red Army counter-attack, designed to relieve pressure on Voronezh, was reported threatening the German flank, how-

MOSCOW, July 10:- Paced by Ian estimated two thousand tanks, German forces stormed a one hundred mile front and, in spite of terrific Russian resistance, have continued their advance toward OF BOATS the Caucasus. Three Nazi armies are advancing eastward, their crossing of the Don River having; now been admitted by the Soviet authorities. Rossosh and Voronezh seem to be the principal objectives of the enemy campaign.

OF FUTURE

Speaker at Local Rotary Club Luncheon

Speaking before the Prince Rupert Rotary Club at its regular weekly luncheon yesterday, Rev. Dr. J. W. Melvin of Vancouver, who is relieving temporarily in the pulpit of First United Church here, gave an interesting conception of the future from both economic and spiritual standpoints. He deplored the development of dictatorial tendencies and expressed the opinion that they would have to be curbed; very definitely after the war was

President George C. Mitchell was in the chair, taking his first meeting since having been installed as head of the club. Guests included L. S. Hawkins, a Vancouver Rotarian, and Staff Sergeant F. W. Gallagher, chief of city police.

LOSSES AT SEA NEW YORK - The unofficial total of Allied ships lost in the western Atlantic since United States entered the war is now 369. Loss of two more vessels with thirteen lives has been made known.
