Gill-netting Season Over and Some of Canneries Are Closing — Deputy Minister of Fisheries on Coast— Rushing Halibut Fishing to Close

The gill netting season for sockeye salmon closed last night on the Skeena and Naas Rivers. The run on the Naas River was a very satisfactory one, the season being well up to expectations in the yield of fish and maintain- catch as soon as possible and the ing the improved record generally of last few years. The demand for fresh fish exceptionrun on the Skeena River is described officially as having ally heavy, curtailment measures

A CLOSE CALL!!

ing of sockeye fishing marks the conclusion of packing operations for some of the canneries with a few remaining open for putting up of fall fish. With seining in the Skeena and Naas areas over for the season while the Grenville-Principe Channel, Butedale, Bella has risen in the streams sufficient- Charlotte Islands is expected to dian landings lately.

the cycle year of 1937-38. The clos- by to permit some the pinks to been discarded and the larger vesstart their ascent, Massett and sels are bringing fish into port as North and South Queen Charlotte speedily as they can. Expectation Island areas and Rivers Inlet are is that the closing date for Area the only districts available in the No. 3 will soon be announced by meantime to supply the canneries the International Fisheries Comin addition to coho net fishing on mission: Prince Rupert continues the Skeena and Naas Rivers. Fairly to get a substantial share of the good runs of pinks are reported catches of the larger halibut ves-Bella and Bella Coola areas are from Massett Inlet. The chum run sels.
