# NOW IS THE TIME---

Give us an order right away for the amount of coal you expect to need next season. This will enable us to meet your requirements now or as supplies arrive.

It is important that you should lay in your coal supply this summer as it is almost certain that the dealers will not be able to cope satisfactorily with the demand next winter.

IT IS NOT HOARDING TO BUY YOUR COAL EARLY (It is also necessary to place your order a day ahead of Delivery)
