The highway is kept clear all winter with big snowploughs and they even go into the various house door. People who have seen Loch Lomond say that Francois Lake is very like it. It is 68 miles long and two miles across. We have sawmills, auto camp forest ranger's headquarters, Central B. C. Seed Growers' Association, garage, also fisheries. They grow timothy seed around here and will ship about \$120,000 worth of cleaned seed this winter. Soon the work will start on the new wharf for they are bringing down the lum-

"The Canadian National Railway arranges cheap fares up here to allow people to look at this district and for anyone really interested we will do all we can to locate a suitable farm. Of course, a certain amount of capital is necessary but there is always work to be had around. So many have left to go to the mines and large towns and there are several farms vacant.

"We all like it here very much. There is not a single thing against it, except that we do miss our old
