HAZELTON TOWNSITE CASE
RULING NOW SUSTAINED

Judgment of the Late Chairman Mabey of the Board of Railway Commissioners Which Has Been Upheld and Emphasized by the Board After the Re-Hearing Ordered by Borden Government

In view of the news received from Ottawa that the Board of Railway Commissioners have sustained their former ruling in regard to the location of the railway depot at the townsite of New Hazelton, known as the Kelly townsite, the principal points and expressions in the ruling of Judge Mabey are worth noting. It is reported that any modification made in this ruling is in favor of New Hazelton.

The Official Record.

The official record of the judgment given by the Railway Commission on the Hazelton townsite case shows that these were the members of the commission present at that hearing: Hon. J. P. Mabey, chief commissioner; D'Arcy Scott, assistant chief commissioner; James Mills, commissioner; and S. J. McLean, commissioner. The first sentence uttered by Judge Mabey in pronouncing judgment and making the order which the Borden cabinet has rescinded was this: "We are all of one opinion with reference to this matter."

Facts of the Case.

The judgment goes on to recite the facts of the case. The Grand Trunk Pacific Railway Co. entered into a contract with one Wheeler, who was the predecessor of Robert Kelly, of Vancouver, in title, by which it bound itself to locate its Hazelton station on lot 882, group 1, Cassiar district. The company in filing its location plan, showed the station grounds on lot 882. Subsequently there was correspondence between the company and the owner of the property, which Judge Mabey summed up as follows:

"Apparently the Railway Company were not able to get from the owner of the property a conveyance, as they were requesting a half interest in the land for a townsite. Later on the company decided to locate the station at some other point. The counsel for the Grand Trunk Pacific says that he does not know whether they obtained from the owners of Lot 851, to which they were proposing to move their station, a conveyance of the land there for a townsite, but in a copy of the Daily News-Advertiser, dated November 15th, the Grand Trunk Pacific is advertising for sale the land for a townsite on Lot 851. So, no doubt, they succeeded in getting from the owner of Lot 851 what the owner of Lot 852 refused to give them, and it does not require much knowledge of these affairs to justify the conclusion that, and that alone, was the moving cause in changing the location of the station or at least in attempting to change the location of the station from Lot 882 to Lot 851."

Only One Thing to Do.

Further on in the judgment Judge Mabey quoted an announcement by the G. T. P., headed "Notice to the Public," which said:

"The Grand Trunk Pacific townsite, South Hazelton, is situated on Lot 851, and it is the intention of the company to build a station on this townsite in the spring of 1912."

Said Judge Mabey: "The company in effect repudiate their agreement, and are advertising the lands for sale in a townsite in competition with what I presume he (Kelly) is trying to exploit on Lot 882, and on which they promised the public that a station will be built in the spring of 1912, within three or four months. Now it is perfectly apparent that there is only one thing to be done in this case."

"The company has got to carry out its agreement. It is a public scandal that a railway corporation should go about the country and obtain conveyances of this kind under false pretences."

Severest Censure.

"If a private individual had done what this company, through its officials has done, he would probably be landed in the penitentiary; at any rate, he ought to be in the penitentiary. The land was obtained through the grossest deceit on the part of the representatives of this company, and it is a breach of faith of the worst character that they should attempt to repudiate their contract."

"It is true that the time is not yet ripe for the construction of the station. The road is not built. It is not ready to open for traffic, but an order may go, requiring the Grand Trunk Pacific Company to construct and have ready for use by the public a station, the plans to be filed and approved by the board's engineer, on Lot 882, where it was intended originally to construct it. The station must be ready for traffic."

Solemn Contract Violated.

"An order may also go refusing the application that was filed with the board on the 11th of December for the location of station grounds and a station on Lot 851, and restraining the Grand Trunk Pacific Railway Company from the location of a station at that point. It is out of line of what they originally intended to do; it is done with bad motives, and it is done in violation of their solemn contract with the predecessor of Kelly in title."

Such is the official record of the judgment of the Railway Commission.

HON. JOS. MARTIN
VOICES OPPOSITION
TO IRELAND'S SENATE

London, June 22—In a debate in the House of Commons yesterday Hon. Joseph Martin supported the amendment to the Home Rule Bill, which suggested that the Irish politician should not have a Senate.

He declared that the reason Home Rule was popular in Can-

HON. JOSEPH MARTIN

ada was because of the appeals of popular Irishman like T. P. O'Connor. He would not support the bill unless it intended a purely local Irish Legislature. (Loud opposition cheers.)

John Redmond, who followed, completely ignored Mr. Martin's assertions on which he was subsequently taunted by Hon. Walter Long. The amendment was lost on a division by a majority of eighty-nine.
