RESOLUTION IN CHURCH

Anti-Liquor Petition Goes Before Local Congregations On Sunday

Copies of the resolution which the Prince Rupert Rotary Club sponsored last week calling for a curb on the use of liquor during wartime appeared in city churches yesterday for the signature of the members of the congregations. The pastors of the churches duly called attention of the congregations and endorsed the resolution and there was a gratifying response in signatures.

In addition to various places of business already announced, the resolutions have been placed in Little's News Stand, the public library and the civic reading room for the convenience of those desirous of signing up.

EDITORIAL

The Real Democracy . . .

Some truth is leaking out of that little courtroom at Riom where the French war guilt trials are going on. Already one great truth has been thrown into the debate. In his defence, Former Premier Blum declared that it was democracy itself which was on trial. He is right, but he is not entirely right. The democracy which is on trial is the sloppy, selfish, narrow, ostrich-like, uncourageous argumentative democracy which there was in France—of which there has been too much elsewhere. But there is another kind of democracy—one which is growing stronger every day—the disciplined, inspired, driving democracy of Oliver Cromwell's Ironsides; of Washington and his men at Valley Forge; of Carnot's fierce singing soldiers in France's revolutionary days; of Stalin's Red Army; and of the people of Britain who are not afraid to change their leaders and pick those who demand from them greater and greater sacrifice. That is the new kind of democracy, towards which, amid all the mess and confusion and defeats of these weeks and years, we are slowly moving. It is the only kind of democracy which can beat the Nazis and the Japanese.

Would Develop Righteousness

Such Is Real Thing To Be Gained From Prayer, Presbyterian Minister Tells Congregation

Development of an outlook of righteousness rather than personal benefit or destruction of one's enemies was the thing to expect from prayer, declared Rev. A. F. MacSween, pastor of First Presbyterian Church, in an Empire Day of Prayer sermon before his congregation at First Presbyterian Church yesterday. On this basis prayer to God was compatible with the interests of all nations. It was not reasonable to expect that there would be deliverance of victory just because one beseeched it of God. There must be more than that to be deserving of divine help. There was not that outlook of righteousness in the land of the enemy.

Mr. MacSween commended to his congregation the resolution endorsed by the Prince Rupert Rotary Club calling for a curb on the widespread use of liquor. Such a resolution would be approved by the Prince Rupert Ministerial Association.

The pastor announced that Miss Mary Anderson, a returned missionary from Japan, would be visiting Prince Rupert over the Easter season and there would be opportunities to meet and hear her.

ARMY PLAYS BASKETBALL

Navy and Edmonton No. 1 Put Up Good Show, Former Winning.

On Saturday afternoon in the Exhibition Hall the Edmonton Fusiliers No. 2 team defeated the Anti-Aircraft squad by a score of 18 to 10 in basketball. Neither team showed very much finesse and undoubtedly they both need a great deal of practice. However, it must be remembered that these boys come from a country that does not play much basketball.

The second game, however, was one of the best which has been played in the Prince Rupert area with Navy defeating Edmontons No. 1 by a score of 52 to 19. Noble excelled himself with his one-armed baskets, making a total of 17 points. The Edmonton Fusiliers' weakness was in the fact that they need a lot of practice in shooting at their basket.

The lineups were as follows:

Anti-Aircraft — Folkes, Sobuliak, Sutherland, Woods, Thompson, Hamilton, Haugh, Blumstein, Crabtree.

Edmonton Fusiliers No. 2—O'Connor, Powell, Warne, Wilson, White, Ball, Bray, James.

Navy—Elliot, Brown, McKay, Johns, Noble, Eastman.

Edmonton Fusiliers No. 1—Bray, Conrad, James, Ball, Paburnev, Wyatt, Haase.

Johnny Comadina was the referee and C. F. Leslie, Y.M.C.A., was organizer and timekeeper.

The standing of the league so far is:

	Won	Lost	Pts.
Signals	2	0	2
Navy	2	1	2
Searchlights	2	0	2
Edmonton No. 1	1	2	1
Edmonton No. 2	1	2	1
Anti-Aircraft	0	3	0

I'm a better man than you
—and I'll prove it!

Our contempt for the Japanese has got us into a lot of trouble. They have set out to do a certain job, and up to now they've done it according to schedule. Their present drive means that every man in the field, in the navy, in the air force, is doing his utmost—*and every civilian at home backing their men to the limit.*

Is a Jap a better man than you are? Can they plan, produce, act, with greater determination and efficiency than Canadians?

Their one hope of success is in a "blitzkrieg." A "blitzkrieg" means fighting a war as though it must be finished in six months. It's up to us to beat them at their own game. Here's the way to do it—prepare for a long war, and work as though the whole thing *had* to be finished in six months.
