Joe Bayley Outboxes Billy Allen at Bassano, After a Splendidly Sporting Fifteen-Round Contest---New Champion Lightweight Boxer of Canada Beats Former Holder of Belt by Power of Endurance Plus Splendid Skill With the Gloves

(Special to Daily News.. Bassano, June 27.-Joe Bayley, the Pacific coast lightweight champion, tonight, after fifteen rounds of fast fighting, wrested the lightweight championship of Canada from Billy Allen of Toronto before a great crowd that filled the arena to capacity.

When Referee Tommy Burns at the end of the scheduled number of rounds held up his arm for Bayley the decision was greeted with rounds of applause indicating the popularity of the verdict. The only knock down bout was in the last round, when Allen went to the mat for a count of nine. In the first half of the fight Allen had the better of it and could land at first almost at will, but the blows did no damage to Bayley, who is hard as

Allen was awake and on the move before the perilously near number to the dismal unspoken one, and gave a good account of himself in the last round, but he was outfought and the referee's verdict was distinctly supported by the crowd. Allen remains a popular fighter, but Bayley's fame has taken a leap to the star level.

Interest in Prince Rupert was keen all through the training and preparations for the bout, and the Joe Bayley victory is popular
