Holidays Over, Fishing Activities Will Now Be Getting Under Way-Mishap at C.N.R.A. Yacht Club.

With another Christmas and New Year season behind us, the fishing community will now be getting into action in various ways. Boats that have been engaged Tavish says there isna' such a in dogfishing will be heading out again after the holiday tie-up. The herring fleet will be out scouting for fish which the seiners and the packers will be prepared to

handle as soon as the rish show; up. It will not be long now be- Islands' Inhabitants Sought fore the halibut and salmon vessels start overhaul work preparatory to the season's operations. There should be some word soon as to what changes, if any, the International Fisheries Commission may impose on the halibut fisheries. The general opinion seems to be that there will not be much change from last year. As for the salmon, there will undoubtedly be some new factors this year owing to changed conditions. The rapidly changing course of international events will, undoubtedly, have its effect on the salmon packing industry.
