EVACUATION

Editor Daily News:

Would some one who really knows publish through this paper if there is any truth in the rumors going around to the effect that evacuation is going to be enforced, the date being even set for April 25. These persistent rumors keep a lot of us women unsettled. If it is so, I think we should be notified.

"RESTLESS."

We believe that "Restless" may be assured that no evacuation date is set. Naturally, civilian evacuation is something that the authorities must consider against an emergency arising.—Editor.

JAPANESE FISHING VESSELS

The Japanese Fishing Vessels Disposal Committee was constituted by Order-in-Council P. C. 288, January 13th, 1942, for the purpose of implementing an effective plan to transfer impounded Japanese fishing vessels to new owners, who must be Canadian citizens, of other than Japanese origin.

Prospective purchasers should be experienced fishermen, who propose using the vessels in the fishing industry of British Columbia. They should negotiate directly with the Japanese owner of the ship they wish to buy, or with his representative.

Descriptive details of vessels are available in the offices of the Committee, which may be freely examined by those interested.

When an agreement for sale and purchase has been made by the Japanese owner and the buyer, details of the transaction should be submitted to the Committee, and if approved, the transfer of the vessel can be promptly completed.

If an agreement cannot be reached between the vendor and the purchaser, the Committee will arbitrate the differences.. IF THE VENDOR DOES NOT AGREE TO ARBITRATE , THE COMMITTEE WILL SET A PRICE AT WHICH THE VESSEL MUST BE SOLD.

Only outright sales, enabling transfer of title of vessel, will be approved by the Committee. In the event of a purchase involving term payments to the seller, the balance to be paid must be secured by mortgage.

PERMITS FOR INSPECTION OF VESSELS CAN NOW BE OBTAINED:

(a) AT THE COMMITTEE'S OFFICES, 1528 MARINE BUILDING, VANCOUVER.

(b) IN THE CASE OF RESIDENTS OF NEW WESTMINSTER OR VICINITY, BY APPLYING BY LETTER, TELEPHONE OR TELEGRAPH TO THE OFFICE OF THE COMMITTEE, WHO WILL ARRANGE THAT PERMITS WILL BE ISSUED BY THE NAVAL OFFICE, PACIFIC COAST TERMINALS, NEW WESTMINSTER, ON PRODUCTION OF THE PROPER CREDENTIALS AND REGISTRATION CARDS.

To prospective purchasers living at a distance from Vancouver, the following procedure is suggested:

When a specifically desired vessel is known, as well as the name and address of the owner, direct negotiations should be carried out in accordance with the procedure outlined above.

Where the vessel is known, but not the owner or his whereabouts, the Committee's office will asist in supplying the information. THE PROCEDURE WILL THEN BE THAT OUTLINED IN ABOVE PARAGRAPHS.

In the case of fishermen not having any specific vessel in mind, but desiring to purchase one or more of the impounded vessels for active fishing service in British Columbia waters, he should write this office, giving the following information:

(a) Type and size of vessel required.

(b) The class of fishing he primarily proposes, and the probable general fishing location.

(c) Amount of cash payment he is prepared to make.

(d) What terms are required for the balance of total purchase price.

With this information on hand, this office will endeavour to have Japanese owners, OR ACCREDITED REPRESENTATIVES, communicate with the prospective purchaser. IF THIS CONTACT CANNOT BE ESTABLISHED, THE PURCHASER SHALL BE INFORMED, AND HE SHOULD THEN CALL ON THE COMMITTEE OR SEND HIS ACCREDITED AGENT WITH AUTHORITY TO PURCHASE; AND EITHER PARTY WILL THEN RECEIVE FULL ASSISTANCE FROM THE COMMITTEE.

All communications should be addressed to the Committee.
