

First and Foremost must come War Effort

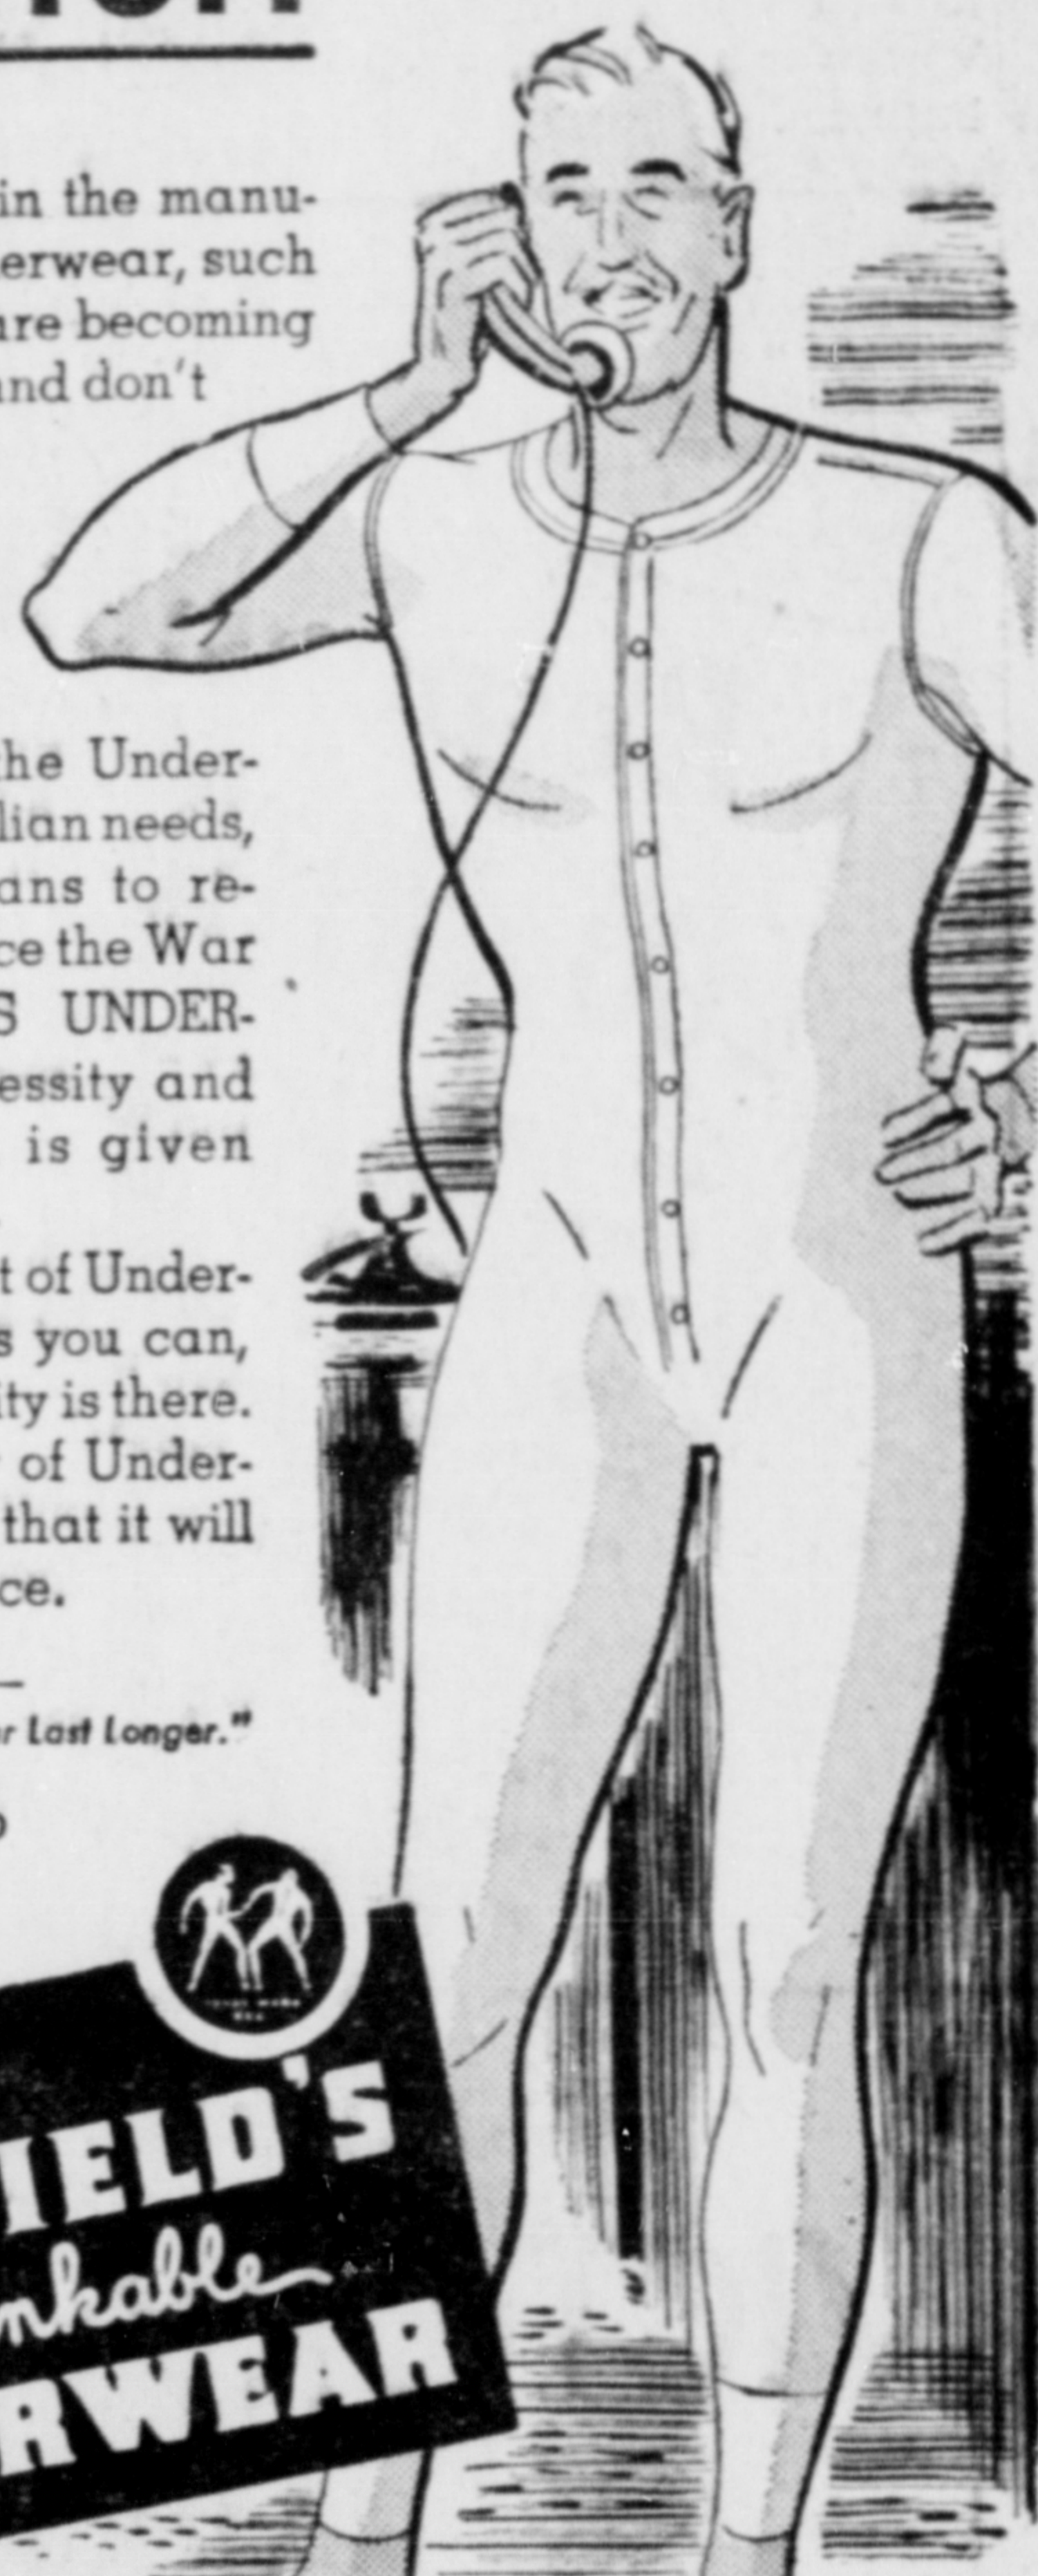

Raw materials, used in the manufacturing of good Underwear, such as wool, cotton, etc., are becoming increasingly scarce; and don't forget, our Canadian men who are in uniform must be provided for.

STANFIELD'S are trying to provide all the Underwear they can for civilian needs, but we ask Canadians to remember that ever since the War began, STANFIELD'S UNDERWEAR is a War necessity and first consideration is given to War requirements.

If you are really out of Underwear, buy as little as you can, and see that the quality is there. If you have a supply of Underwear, look after it so that it will give you longer service.

Write for Folder— "How To Make Your Underwear Last Longer."

GUIDES FOR SKIERS A small commercial shipment of Mackers similar to snowway signs tin has been produced in California skiers along snow trails in nia since the war cut off Malayan supplies.
