

That's why SWEET CAPS always taste so good!

They're Group-Blended! It takes 38 classifications of the choicest Virginia tobaccos to give Sweet Caps their finer flavour and extra mildness. These 38 are first blended in small groups. Then these groups are merged—Group-Blended. It's this extra good tobacco, plus this extra care in blending which make every Sweet Cap taste so good.

SWEET CAPORAL CIGARETTES

"The purest form in which tobacco can be smoked"

al Canadian Army Medical was the speaker today at e Prince Rupert Gyro Club, his bject being democracy in relaa to present day world affairs. sident George L. Rorie was in chair and there was a good e of members with a few cluding Newton F. Pullen, ident of the Vancouver
