Possibly the fact that about eighty percent of the theatres in New York were located on Broadway had something to do with this.

Announcement

Restrictions placed upon us by the Wartime Prices & Trade Board compel us to announce we shall be unable to put on our "Christmas Special" this year.

This practice of sending a small box of smoked fish, typical of the dominant industry of Prince Rupert, has become increasingly popular and we are very sorry we shall have to disappoint our many customers this year.

After the war, we hope we shall again be able to make this special Christmas offer available to our many friends.

IN EVERY city, town and village from coast to coast which is not throughout Canada today there are gaps where once were young men. They heard a call and put on navy blue, khaki, horizon blue, and they have gone, answering a call ...

They are missed-missed not only in their homes but also in the business places which once they filled.

They have gone from every institution in Canada; but from none more than from the chartered banks.
