MAIL YOUR APPLICATION CARD FOR COUPON RATIONING

After July 1st no one will be able to purchase sugar for regular domestic use without turning in a ration coupon.

Application cards for coupon rationing for sugar have now been mailed to every household in Canada. But, in an undertaking so vast, some homes may have been missed, or some cards may have gone astray. So, no matter where you live, whether it is in areas served by letter carrier or not, if your application card is not already on its way to Recioning Headquarters, you should wait no longer.

After filling in the card, according to the instructions on the pamphlet which was delivered with it, just drop the card in the nearest mail box or post office. It needs no forwarding address.

IF YOU HAVE NOT RECEIVED AN APPLICATION CARD you should get one at the nearest Post Office at once.

The ration cards being issued for use July 1st are for sugar only, and good for 10 weeks. At

the end of that period a coupon ration book good for 6 months will be issued. Under the new system of coupon rationing, you are allowed the same
