This has been the first week of the season for substantial landings of halibut at Prince Rupert, the boats, although leaving around the opening date of April 15, having been delayed in returning with their initial catches through stress of stormy weather. The landings for the week totalled 21,600 pounds of which 227,600

**"AIR RAID" REVIEWED**

Weekly Meeting of A.R.P. Wardens Held Last Night

The weekly meeting of the district wardens of the Civilian Protection Committee (A.R.P.) was held last evening with J. S. Wilson, chief warden, presiding and district representatives presenting reports on last Sunday's air raid practice. They were J. L. MacIntosh, Severino Dominato (reporting for G. T. German), Ray Allen and G. Storrie, G. P. Tinker, J. H. McGlashan and Thomas Elliott (reporting for J. E. Boddie), A. M. Davies, secretary, was also present. Each warden presented very interesting and comprehensive reports covering the details of the number of personnel present at the respective headquarters, the time at which the members reported, the type of dangers encountered, how each was dealt with, the character of casualties and treatment of same, how fires were controlled, how communications were maintained. There were weaknesses reported some due to inexperience, some to lack of training, some to lack of co-ordination, but these weaknesses were few compared with the positive results of the test.

The splendid co-operation of the Royal Canadian Air Force was the subject of general commendation. The realistic way in which they provided the atmosphere and incidents of what a raid would mean made the test the success it was. Their dive-bombing of centres, their accurate "bombing", their skilful flying brought home to the majority of citizens a realization of what a raid might mean and of the value of air raid precautions. An increased interest in the local organization has already been noted.

For the workers themselves the practice gave the best test to date. Much depended on the imagination with which the various "incidents" were treated and, while some fell short of what was hoped for, many others more than fulfilled the highest hopes of the committee.

The Edmonton City Golf Association has elected officers for the year as follows: President, Dr. W. C. Broadfoot; vice-president, Jack Marshall; secretary-treasurer, W. A. White. Qualifying round of the annual city amateur golf championship will be played on June 20.

Edmonton is well organized for the Red Cross drive which is to get under way shortly. R. H. Settle, manager of the Gillespie Grain Co., is campaign manager.

Hon. Herbert Anscombe, minister of mines for British Columbia, was here this week conferring with Hon. N. E. Tanner, Alberta minister of lands and mines, in regard to oil matters.

Both the largest and newest steam boilers at the city power plant were out of operations at the same time for the better part of twenty-four hours early this month. Mayor Fry told the city council this week after Ald. J. H. Ogilvie had demanded a report on the hitherto undisclosed breakdown.

Holy Trinity Church was the scene of a pretty wedding last Saturday when Miss Grace Marshall, daughter of Mr. and Mrs. Stewart J. Marshall, became the bride of Lieut. G. Reginald Campbell of the Royal Canadian Army Service Corps.

Based on the funny novel of the same name, "Road Show," said to be a highly entertaining comedy, comes to the screen of the Capitol Theatre as the feature offering for next Monday and Tuesday. There is an impressive cast which includes such well known screen luminaries as Adolphe Menjou, Carole Landis, John Hubbard, Patsy Kelly, George E. Stone, Charles Butterworth, Polly Ann Young, Margaret Roach and James Arthur. The popular radio team, "The Charlieteers," is also introduced.

Most of the action is centred around a carnival, a lion act, in which John Hubbard, as a wealthy young playboy, becomes involved. There are all the features of the country road and romance is interestingly interwoven with the general action and fun.

**Send Your Copy Early**

Local news contributions should be in the Daily News office by 10 a.m. on the day following the event—preferably the night before a letterbox in the door being there to receive copy. Local news not in by 10 a.m. runs the risk of not being published. We prefer to have news contributions typewritten neatly and double spaced, if possible. However, legible writing will do.
