We wish to thank our customers for the help given by placing their order a day in advance of delivery. It is our wish at all times to give the maximum service economically possible, by your continued co-operation this can be done.

The time will soon be here when it will be good business for those with storage space to put in a stock of coal for future use, as during the rush months both mines and dealers are taxed beyond their capacity.

Sea Cadets To Merchant Navy

Local Navy League Appoints Special Committee to Pursue Proposal

Among other matters discussed last night at the annual meeting of the Prince Rupert branch of the Navy League of Canada was the possibility of having members of the local Sea Cadet Corps admitted as apprentices in the merchant navy on a career basis. In view of the building of ships on this coast for the merchant navy, it was felt that some success along this line would likely be possible. It was left to a committee consisting of Commander A. H. Reed, R. M. Winslow and Lieut. Commander Alex Mitchell to pursue the subject further.

The chief requisites for such apprentices, Commander Reed told the meeting, was an adequate standard of education and, of course, the physical requirements. It was felt that Prince Rupert Sea Cadet Corps was in a position to provide suitable youths.

Jack Lawrie and mother are sailing tonight on the Prince George for a trip to Vancouver.

R. W. Sinclair, manager of Inverness cannery, was a passenger aboard the Cardena last evening going through from Inverness to Kientu on business.

Lieut. W. Melbye, Norwegian recruiting officer, and J. Lawrence and W. B. Appleby of Ocean Falls were guests at the weekly luncheon of the Prince Rupert Rotary Club on Thursday.

Mr. and Mrs. Jack Watson and daughter, who have been visiting here with Mr. and Mrs. William McLeod, will sail tonight on the Prince George for Vancouver, Mr. and Mrs. Watson, who are the parents of Mrs. McLeod and were formerly residents of Prince Rupert, are moving from Calgary to Vancouver to make their future home.
