BASEBALL IS PLAYED

Searchlights and Midlands Were Winners Last Night

Watts and Nickerson's baseball team slipped farther down the ladder when the Searchlight nine shut them out 5 to 0 last night in league play. Dickey, the Searchlight hurler, was in fine form, pitching two-hit ball. Only one Clothier managed to reach third base during the game. One big inning, the third, was the downfall of the Watts and Nickerson team. Searchlights pushing four runs across the plate.

The Midland nine chalked up another win, taking their game by default from the Medicals. A bang up exhibition game was played between the Midlands and the Yanks. The Midland battery doing duty for Yanks and visa versa. The final score read: Yanks 3, Midlands 0.

Yanks — Rosen, Carol, Walmer, Lefty, Falkner, Lewis, Brick, MacKenzie and McManus (Midland battery).

Midlands — Barkwell, Munroe, Brooks, Zuppa, Mathews, Hall, McVeigh, Elliott, Hunt, Hay, Verginia and Tex (Yank battery).

Watts and Nickerson — Postbuck, B. Gurvich, Santerbane, Bill, Murray, Arney, Vocovich, Rosen.

Searchlights—Murdoch, Woolley, Duke, Thompson, Rakoz, Lepinski, Purpeza, King, Moulten, Dickey and Brule.

Yanks Made Some Discoveries in Land "Down Under"

SOMEWHERE IN AUSTRALIA, July 23: ©—Two attractive Australian women have been working as receptionists in a building housing a large department of the United States Army.

Not until the women started inviting the American soldiers to Sunday tea at their homes did the Yanks discover that the "phone girls" were Australian society women—Mrs. Elaine Bessemer-Clark, daughter of former world tennis singles champion Sir Norm a Broeke, and Mrs. Thelma Patterson, sister-in-law of Lady Kingsford-Smith, widow of Australia's most famous flier.

Toc H Honors Thomas Andrew

Impressive Ceremony at Gathering of Organization Last Night

Toc H met last night to say farewell to one of the oldest members in the person of Thomas Andrew who is leaving the city. Mr. Andrew is the last of the charter members and has been one of the most faithful in attendance in spite of the great effort necessary owing to a painful lameness.

Nine members were present and, around the Toc H ritualistic tea table, each one voiced his feelings and collectively expressed them through the presentation of a tinted photo of one of Prince Rupert's world famous sunsets, a gift which it was felt would be a constant reminder of his fellowship in the Toc H band of brothers by which, "at the going down of the sun," the parting guest would remember old friends.

The Situation In Russia

There is little enough to feel cheerful about in the Russian picture today. The Red Army has fought valiantly and continues to do so. More than a year ago Adolf Hitler promised his people the defeat of Russia in six weeks. Yet Russia still fights on and, although it has suffered sorely, there is no sign of yielding. Rostov and Stalingrad, the Soviet itself admits, are in grave danger. They may or they may not fall but if they do, hard as the blow may be, that would not constitute the defeat of Russia. Hard pressed as Russia may be, there is little yet to suggest a collapse. Meanwhile Germany's lines are stretching further and further out. Gains must be consolidated if they are to be held. All of this takes time and the Russian winter, of which Hitler has already had one bitter experience, will be on the invaders again ere long.

DUE TO WAR CONDITIONS

Canada will now on, have to depend as never before on the output of her mines to fill the ever increasing demands for coal. Much of this will have to be from Alberta mines, but this will be difficult if not impossible if consumers wait, as in the past, for cold weather before taking delivery.

Do your part in helping to avoid a serious situation, by filling your bin NOW and keeping it FULL.

Stocks of Poothills Alberta, Bulkley Valley and Comox now on hand.

NOW IS THE TIME---

Give us an order right away for the amount of coal you expect to need next season. This will enable us to meet your requirements now or as supplies arrive. It is important that you should lay in your coal supply this summer as it is almost certain that the dealers will not be able to cope satisfactorily with the demand next winter.

IT IS NOT HOARDING TO BUY YOUR COAL EARLY (It is also necessary to place your order a day ahead of Delivery)
