Japanese, continuing to pound hard at both ends of the line protecting the Irrawaddy oil fields, a large proportion of the native population of Burma appears to have gone over to the Japanese

A London source said that the Battle of Burma depended on air superiority, which the British did not have. The issue there would be settled not in a matter of weeks and months but in days. The British, owing to lack of air support, are falling back in the Prome area although the Chinese are said to have slightly improved MAINICTTOC their position around Toungoo.

## pecial Easter Message Service

litary Services Are Particularly ntcrested In Greetings By Wire

Security and the segment

NNIPEG, April 1:--The Cana-Telegraph Companies are making available to the he flat rate numbered text tes featuring Easter greetor exchange between all teleoffices throughout Canada United States. The popuof such messages is evidthe tremendous increase volume of these telegraphs year and this season teleofficials expect a very deincrease in the number of greeting messages. This argely to the fact that s of our men and women who now located in military campa y from home will desire t greetings home while thei latives and friends, likewise, wil re to send greetings to them
