

" THE DAILY NEWS

Chinese War Relief . . .

China has a proverb which says: "Friendship in time of distress is stronger than metal or stone."

China and Canada have long been friends, and the friendship between their peoples has grown ever stronger through these last few years of war against a common enemy-war in which Chinese suffering has been terrific and sustained.

Now, through the Chinese War Relief Fund in its first national appeal to Canada from coast to coast, the Canadian people have an opportunity of showing friendship to the Chinese people in a practical way. Contributions of money, with a Dominionwide objective of \$1,000,000, will go to China in the form of hospital and medical supplies, war orphanages, ambulances, food, clothing-all the vital things needed by China to sustain life and alleviate suffer-

The Chinese have withstood hunger, homelessness, disease through six awful years-herauso their knew they were fighting not only for national survival, but for the preservation of freedom and of all the fundamental ideals on which their civilization, like ours, is based. Their sacrifices have been. and will continue to be, immense. Canada's dollars can help to lighten them, and will let China know that Canadian friendship is strong-and real.

The Daily News heartily endorses the campaign opening here next week to raise \$5,000 for Chinese relief.

most disappeared under rain of bills. Burgoyne saved it council and anyone else who

The president maintained the hot financial pace for the next 21 years. He signed promissory the money later. This he always crete grandstand was sold and the stand built. Burgoyne sold admission tickets on a five-year plan at \$30 a shot. Even people who thought sculling was only a quaint form of head surgery bought tickets under Burgoyne's urging. The C.A.A.O. got its \$1,-000 every year and Burgovne became president of that organization. Things are rolling a bit more smoothly in the rowing game now but Burgoyne still has his problems. There was \$15,000 outstanding on the concrete grandstand last year but times were good and Burgoyne raised the money from his neighbors. Andy Lytle of the Toronto Star comments: "I wasn't surprised to be told that Bur-'Aid to China' national mately the debt."

Keen Game of Football Results In First Defeat of Season For Air Force

Reserves Defeated Air Force our to three last night in a notly contested and close Gilhuly C \ football game and, as result, the Navy and Signals are brought right back into the picture for second half honors in this competition. With three postnoned games still to be disposed of, it is any team's chance now to win the second half, the first half of which was the first the Air Force has suffered so far this season. The teams were:

Air Force - Blore; Dawson, three goals to nil. Melville and Martinique.

Parsons; McKeown, Robertson Judge, Ross and Simundson.

Referee, Syd Woodside.

GLASSLESS GREENHOUSE...SHATTERPROOF FOR SAFETY..

Up in the nose the bomb aimer sits in a cos

little "greenhouse" all his own. Between him and the stars and empty space below is a curved, crystal-clear material that looks like

glass - but isn't. Tougher by far than glass, shatterproof for safety, it is a clear transparent plastic that can be shaped and moulded to serve a thousand war. time uses. Plastics are infinite in variety, indispensable to modern war, and fabulous quantities of pure war alcohol are required to make them. Alcohol plays a vital part not only in the making of plastics, but in the manufacture of synthetic rubber, in keeping fighting planes ice-free, and in the war against infection in hospitals and on the battlefield. Every ounce we can produce is urgently needed. That is why all our plants are now on 100% war production.
