**SHOPPING BY MAIL-ORDER**

Experience of over a quarter of a century has established Shopping-by-Mail-Order from EATON'S Catalogue as the convenient, modern way. For generations EATON'S has served the needs of Western Canada's widely scattered population through this medium, often making available a degree of comfort otherwise unobtainable in pioneer days. Even to homes in most isolated districts, to miners in distant camps, and to hospital staffs serving on the edge of civilization, EATON'S Catalogues go regularly, putting within their reach practically as large a selection of merchandise as can be found in a city store.

Make a list of your needs from your Catalogue, and leave it at our Prince Rupert Order Office, 616 3rd Ave West, or, if you wish, telephone your order in, to "Blue 400."

Salmon Pack on Coast is Smallest In Years—Chum Output in This District Is Up

The total salmon pack on the British Columbia coast for the 1943 season up to a few days ago was 1,210,608 cases as compared with 1,752,314 cases up to a corresponding date last year. The pack for the coast this year has been the smallest in six years. There was a noticeable falling off in the sockeye pack which amounted to 164,926 cases as compared with 664,680 cases. While the packs of steelheads, bluebacks and coho have been off that of pinks, amounting to 529,197 1/2 cases, is substantially in excess of 269,222 1/2 cases in 1942. The pink pack for the coast, at 317,077 cases, is below last year's 580,986 1/2 cases but for Prince Rupert district this year the chum pack has been 171,553 cases, slightly in excess of 168,510 1/2 cases in 1942.

Congratulations are due two R.C.N.V.R. ratings now serving in H.M.C.S. Chatham. They are Clifford Joseph Barlow and Wildrie J. Dennison. Barlow is a Victoria man whose wife and two children live in the Capital city. He is being congratulated on being promoted from motor mechanic to chief motor mechanic. From Winnipeg comes Leading Seaman Dennison recently promoted from Able Seaman. Dennison served with the C.N.R. before joining the naval service and since that time has had twelve months' sea time in one of H.M.C.S. ships.
