**Great Event In
Modern Times**

"The great event that occurred in modern times and not a soul on earth knew about it" was the cleansing of the heavenly sanctuary which began on October 22, 1844, asserted Evangelist Balmer last evening in the Oddfellows' Hall. The speaker referred to the words of Daniel 8-14 which revealed that at the end of 2300 day-years the sanctuary should be cleansed. The starting point was 457 B.C. in the fall, according to Ezra 7:11. Thus the 2300 years would terminate in the fall of 1844. The earthly sanctuary was a type of the heavenly, and the services connected with the earthly sanctuary were typical of the services in the heavenly (Heb. 8:1-5, 9:6, 7, 23-25). In Leviticus (chapters 16 and 23) was found a description of the cleansing of the earthly sanctuary. This ceremony was called the day of atonement. It was also known as a day of judgment. The great antitypical day of atonement and judgment came upon the world on October 22, 1844, and since then the scenes of the investigative judgment as described in Daniel 7:9-13, have been going on. The records of the righteous who had died would be reviewed first (1 Peter 4:17). Then will come the cases of the living righteous. The evangelist urged upon his audience to make sure that their sins had gone before judgment to judgment (1 Tim. 5:25) as they would not know when their names would be reached for final decision as to whether they would be qualified to be admitted into the heavenly realm or be consigned to eternal destruction.
