OUR TURN NOW

A year ago we were wondering what HITLER was going to do. Today he is wondering what WE are going to do next. Yes, the tide is turning but the war is far from won. This is no time to let down, it is time to accelerate our efforts. Young physically fit men and women should be in the Army. Those who are not fit for active duty should, if possible, be in the Reserve — the Rangers — the A.R.P. — Red Cross — Salvage Corps, or the like. Everybody should be in this war, young and old, men and women, in order to assure victory.

Dry Dock Dance Enjoyable Event

Large Crowd Turns out Saturday night at Staff House Dining Hall.

The regular bimonthly dance sponsored by the Prince Rupert Dry Dock Employees' Association on Saturday night in the main dining hall of the Staff Houses attracted a large crowd. Dancing was in progress from 9 p.m. until midnight to the strains of Bill Stewart's orchestra. Appearing with the orchestra was Miss Lenora Raabe who handled the vocals in a capable manner. Miss Raabe is a local girl and Saturday night was her debut before the microphone.

The dance was well organized and conducted by the committee of the association whose main idea is to provide entertainment for the men and women employees of the dry dock. It is the intention of the committee to hold these dances regularly.

ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.

By DOROTHY GARBUTT

This will be a big dance week. Hostesses are invited to the Women's Auxiliary Coast Battery dance at the Empress tonight. Wednesday is the regular "Y" dance and girls are asked to come early. Thursday is the fortnightly dance at the Ontario Regiment, our oldest friends. The ship's company of HMCS Chatham is holding its bi-monthly dance at the navy drill hall on Friday. I no longer make a special effort to get hostesses for these dances as they are so popular that the girls go anyhow and they are well regulated and nicely run by the navy personnel on duty that night.

Doug Badger read us a letter from one of the "Y" supervisors stationed in the Old Country. They are certainly busy boys over there and get all sorts of co-operation in their work. Parts of his letter are most interesting. It's from Jack Girvan—he says:

"We are in the midst of another very strenuous summer sports program... track and field, tug-of-war, softball, volleyball and horseshoes are the official summer sports. Last week in our own formation we had four track and field meets involving whole service groups... a few weeks ago we had golf championships... many of the tournaments were like 'old home week' with golfers from all over Canada meeting one another again... we have had some very interesting games of softball with the Americans here in England. One game was held for a Wings for Victory Campaign in an English town. We arranged certain compromises on rules to allow for the difference between ours and the Americans. I think we received quite a shock when the American boys came on the field with black trousers or knickers with yellow socks up to the ankles, gaudy yellow shirts and powder blue peak caps. The shock didn't affect our game and we won handily. The local people presented each member of both teams with an original horseshoe won by an English Derby winner. In addition we were presented with a cup. In a later game we were privileged to enjoy American hospitality... there were huge crowds at both games. 'Mr. Mayor' and 'Mrs. Mayor' were the guests of honor and the former made a little speech on each occasion. The Mayor and his wife hold
