OTTAWA, Nov. 2 0 - Labor Minister Humphrey Mitchell and United Mine Workers of America representatives conferred today in an effort to settle the strike of Alberta and British Columbia coal miners. The only announcement made was that tentative arrangements were made for a further conference tomorrow.

Recently the Prince Rupert Chamber of Commerce sent a communication to Vancouver. New Westminster and Victoria Boards of Trade expressing resentment at not having been invited to participate in a recent trade excursion to the Peace River country. The Vancouver Board has written in reply explaining that it was essentially a Vancouver Board of Trade Report Made mission and it was merely coincidental that the presidents of the Victoria and New Westminster Boards of Trade went along.
