When I asked for an iron for the Montreal Circle boys—they are the Navy Communications branch — I didn't know they wanted any sort of an iron, even one of those old fashioned sort you heat over a stove. There must be some of those around although, of course, they prefer an electric iron even if it does need repairing as they are experts in electrical repair work. So, like the London street cry, it's irons, any old irons, irons oh

The rooms registry is brighter lately than it has been in some time. That is people don't have to wait three or four months for a room, a month about fixes them. But I would like to point out to anyone who contemplates renting a room that there is no demand now by single men for rooms. Last year when the navy boys were all out on lodge and comp the demand was terrific but, since then, they have gone into barracks.

I was looking at a snap of the "Y" supervisors taken only last April and was surprised to see how many of them have left this area. Makes me feel more and more like a barnacle on the good ship "Y." There is Percy Boulton for instance who used to be with the Kiska boys

on the Highway. He is no longer with the "Y." Bob Gibson, now area supervisor on the prairies, is marked for China and parts unknown. John Grey from Terrace is now overseas. Ivan Mallett is overseas as first "Y" man with the navy and Smiling Jim Carlette is on his way overseas. Eheu fugaces! Here today and gone tomorrow.

Sorry to say that Jean Melvin has been ill the past few days with a very nasty case of Flu but by now is feeling somewhat better.

Arthur Peacock is on his way to Alaska, up to Skagway, Whitehorse and down the Highway to Edmonton. We expect some interesting stories of his trip when he returns.

Very many thanks to the Order of the Eastern Star for supplying our dance chaperones all this month and to remind the Queen Mary Chapter I.O.D.E. that it's their turn next month. Thanks.
